Trademark Security Agreement, dated as of March 24, 2015, by HEADWATERS INCORPORATED, HEADWATERS RESOURCES, INC., DUTCH QUALITY STONE, INC., TAPCO INTERNATIONAL CORPORATION, ELDORADO STONE OPERATIONS, LLC and ELDORADO STONE LLC (individually, a "**Grantor**", and, collectively, the "**Grantors**"), in favor of DEUTSCHE BANK AG NEW YORK BRANCH, in its capacity as administrative agent (in such capacity, the "**Administrative Agent**") pursuant to the Term Loan Credit Agreement, dated as of March 24, 2015 (as amended, supplemented or otherwise modified from time to time, the "**Credit Agreement**"), among Headwaters Incorporated, a Delaware corporation, (the "**Borrower**"), the Guarantors from time to time party thereto, the Administrative Agent and the lenders from time to time party thereto.

WITNESSETH:

WHEREAS, the Grantors are party to a Term Loan Security Agreement dated as of March 24, 2015 (as amended, amended and restated, supplemented or otherwise modified from time to time, the "**Security Agreement**") in favor of the Administrative Agent pursuant to which the Grantors are required to execute and deliver this Trademark Security Agreement;

NOW, THEREFORE, in consideration of the premises and to induce the Administrative Agent, for the benefit of the Secured Parties, to enter into the Credit Agreement, the Grantors hereby agree with the Administrative Agent as follows:

SECTION 1. Defined Terms. Unless otherwise defined herein, terms defined in the Security Agreement and used herein have the meaning given to them in the Security Agreement.

SECTION 2. Grant of Security Interest in Trademark Collateral. Each Grantor hereby pledges and grants to the Administrative Agent for the benefit of the Secured Parties a lien on and security interest in and to all of its right, title and interest in, to and under all the following Collateral (excluding any Excluded Assets) of such Grantor:

(a) registered Trademarks of such Grantor listed on Schedule I attached hereto.

SECTION 3. The Security Agreement. The security interest granted pursuant to this Trademark Security Agreement is granted in conjunction with the security interest granted to the Administrative Agent pursuant to the Security Agreement and Grantors hereby acknowledge and affirm that the rights and remedies of the Administrative Agent with respect to the security interest in the Trademarks made and granted hereby are more fully set forth in the Security Agreement. In the event that any provision of this Trademark Security Agreement is deemed to conflict with the Security Agreement, the provisions of the Security Agreement shall control unless the Administrative Agent shall otherwise determine.

SECTION 4. Termination. Upon the termination of the Security Agreement in accordance with Section 6.11 thereof, the Administrative Agent shall, at the expense of such Grantor, execute, acknowledge, and deliver to the Grantors an instrument in writing in recordable form releasing the lien on and security interest in the Trademarks under this Trademark Security Agreement.

SECTION 5. Counterparts. This Trademark Security Agreement may be executed in any number of counterparts, all of which shall constitute one and the same instrument, and any party hereto may execute this Trademark Security Agreement by signing and delivering one or more counterparts.

SECTION 6. ABL Intercreditor Agreement. Notwithstanding any provision to the contrary in this Trademark Security Agreement, the Liens and the security interests granted to the Administrative

Agent pursuant to this Trademark Security Agreement and the exercise of any right or remedy by the Administrative Agent hereunder, in each case, with respect to the Collateral are subject to the limitations and provisions of the ABL Intercreditor Agreement.
