TRADEMARK ASSIGNMENT

THIS TRADEMARK ASSIGNMENT (this "Assignment") is made and entered into *nunc pro tunc* as of January 1, 2015 ("Effective Date") by and between NC Transaction, Inc., a Delaware corporation located at 1211 Avenue of the Americas, New York, NY 10036 ("Assignor"), on the one hand, and Dow Jones & Company, Inc., a Delaware corporation, located at 1211 Avenue of the Americas, New York, NY 10036 ("Assignee"), on the other hand.

WHEREAS, Assignor desires to sell, convey, assign, and transfer to Assignee, and Assignee desires to acquire, all of Assignor's right, title and interest in and to the trademark CASEIFY, including, but not limited to, the trademark applications set forth in Schedule A attached hereto, and any resulting registrations therefrom, together with the goodwill of the business symbolized thereby (collectively, the "Marks"); and

WHEREAS, Assignee is the successor to Assignor's business to which the Marks pertain, and that business is ongoing and existing.

NOW, THEREFORE, in consideration of the premises and mutual covenants contained herein, and for other good and valuable consideration, the receipt, adequacy, and legal sufficiency of which are hereby acknowledged, the parties do hereby agree as follows:

Assignor hereby irrevocably sells, conveys, assigns, transfers, delivers, and sets over to Assignee, all of Assignor's right, title, and interest in and to the Marks, in the United States and in all other countries, including, without limitation, all common law rights therein, any applications therefor and resulting registrations therefrom, for Assignee's own use and enjoyment, and for the use and enjoyment of Assignee's successors, assigns, licensees or other legal representatives, as fully and entirely as the same would have been held and enjoyed by Assignor if this Assignment had not been made, together with all goodwill associated therewith (including the entire business portion thereof to which the Marks pertain as required by 15 U.S.C. § 1060 with respect to the Marks that are the subject of intent-to-use applications in the United States), and all causes of action, rights of recovery, and claims for damages by reason of past, present, or future infringement or other unauthorized use of the Marks, with the right to sue for damages, and collect the same.

Assignor hereby requests the Commissioner of Patents and Trademarks to record Assignee as the assignee and owner of the Marks.

In the event that any further actions are necessary or desirable to carry out and effectuate the purposes of this Assignment, each party shall take such further actions as the other party may reasonably request to record Assignee as the assignee and owner of the Marks.

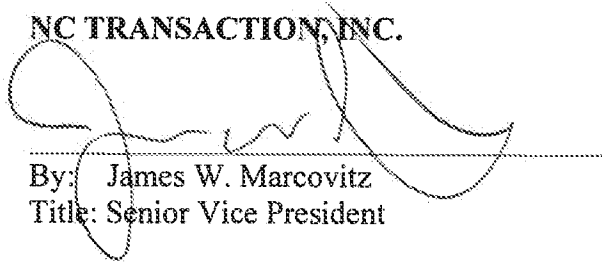

If any provision of this Assignment is found invalid or unenforceable, in whole or in part, the remaining provisions and partially enforceable provisions will, nevertheless, be binding and enforceable.

This Assignment shall be binding upon and inure to the benefit of the parties named herein and their respective heirs, successors, and permitted assigns.

This Assignment may be executed in one or more counterparts, each of which when executed shall be deemed to be an original but all of which taken together shall constitute one and the same agreement.

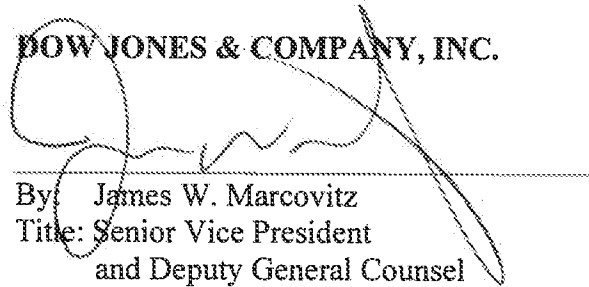

IN WITNESS WHEREOF, Assignor and Assignee have caused this Assignment to be executed by their duly authorized representatives as of the Effective Date.

NC TRANSACTION, INC.
