AMENDED AND RESTATED TRADEMARK ASSIGNMENT AGREEMENT

This AMENDED AND RESTATED TRADEMARK ASSIGNMENT AGREEMENT (this "TM Assignment"), effective as of December 31, 2014, (the "Effective Date"), is made by and between:

LION APPAREL, INC., an Ohio corporation ("Assignor") having a place of business at 7200 Poe Avenue, Suite 400, Dayton, OH 45414; and

LION GROUP, INC., an Ohio corporation ("Assignee") having a place of business at 7200 Poe Avenue, Suite 400, Dayton, OH 45414.

RECITALS:

WHEREAS, the Assignor owns the entire right, title and interest in and to the trade names, trademarks, trademark registrations, domain names and trademark applications set forth on Schedule A, attached hereto and made a part hereof (collectively the "Transferred Intellectual Property").

WHEREAS, the Assignor desires to assign and transfer to the Assignee its entire right, title and interest in and to the Transferred Intellectual Property, together with all goodwill related thereto (the "Goodwill"), including but not limited to, any right, title and interest that the Assignor may have in any current unpaid and future royalties related to the licensing of the Transferred Intellectual Property to other parties (the "Royalties").

WHEREAS, the Assignee desires to accept from the Assignor the assignment and transfer of Assignor's entire interest in and to the Transferred Intellectual Property, including but not limited to the Goodwill and the Royalties.

WHEREAS, the Trademark Assignment Agreement executed on December 31, 2014 by and between Assignor and Assignee to give effect to the foregoing recitals contained certain errors, which the parties herein desire to correct.

CONSIDERATION:

NOW THEREFORE, for \$1.00 and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto, each intending to be legally bound, do hereby agree that the Trademark Assignment Agreement executed on December 31, 2014 shall be amended and restated as follows:

1. The foregoing recitals are hereby made a part of this Agreement.
2. Assignment. The Assignor hereby assigns and transfers to the Assignee, its successors and assigns, and the Assignee hereby accepts the transfer and assignment of, any and all of the Assignor's legal interest in and to the Transferred Intellectual Property including, without limitation the following: (i) all Goodwill associated therewith and symbolized thereby, (ii) all common law rights embodied therein in the United States and countries foreign thereto, (iii) all Royalties associated therewith; (iv) all past and present claims, suits, causes of action and other sums associated therewith related to infringement or other unauthorized use of the

Transferred Intellectual Property, with the right to sue for and collect the same for its own use and benefit, and for the use and benefit of its successors, assigns, and other legal representatives, as fully and entirely as the same would have been held and enjoyed by Assignor if this assignment had not been made; and (v) the applications, registrations therefor and any renewals thereof, as applicable, in the United States and countries foreign thereto.

3. Further Assurances. For the above consideration, Assignor agrees promptly upon request of Assignee, its successor or assigns, to execute and deliver without further compensation any additional papers, or to perform any additional acts, which may be reasonably necessary or desirable to fully secure to Assignee, its successors and assigns, the Transferred Intellectual Property and any rights therein, in the United States and in any country foreign thereto. If for any reason Assignee is unable, after reasonable effort, to secure Assignor's signature on any document needed to procure or perfect Assignee's interest in any of the Transferred Intellectual Property, Assignor hereby appoints Assignee as its attorney in fact with full power of substitution on behalf of Assignor and for the benefit of Assignee, to execute any additional documentation and perform any additional acts relating to the Transferred Intellectual Property, to effect recordation or registration of the Transferred Intellectual Property, and to effect recordation or registration of this assignment.

4. Governing Law. This TM Assignment shall be exclusively governed by and construed in accordance with the laws of the State of Ohio without regard to Ohio's principles of conflicts of law.

5. Counterparts. This TM Assignment may be executed in one or more counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument.

6. Entire Agreement. This TM Assignment, together with all exhibits and schedules hereto, constitutes the entire agreement of the parties hereto with respect to the subject matter hereof and supersedes all prior agreements and undertakings, both written and oral, among the parties hereto with respect to the subject matter hereof.

IN WITNESS WHEREOF, each party has caused this Trademark Assignment to be executed by its duly authorized representative.
