WHEREAS, the Assignor and the Lender are parties to certain Loan Documents (collectively, the "Loan Documents") between the Assignor and the Lender, evidencing and securing: (i) a Secured Term Note in the principal amount of up to SEVEN HUNDRED FIFTY THOUSAND and 00/100 (\$750,000.00) DOLLARS (the "Note" as may be amended from time to time) payable by the Assignor to the Lender; and (ii) any and all sums of money that, at the time, may have become due and payable under the provisions of the Note, the Loan and Security Agreement (the "Loan Agreement"), or any other Loan Document, as well as, without limitation, all loans, advances, letter of credit agreements, indebtedness, notes and liabilities, owing by the Assignor to the Lender at any time, of each and every kind, nature and description, whether arising under any Loan Document or otherwise, and whether secured or unsecured, direct or indirect (that is, whether the same are due directly by the Assignor to the Lender; or are due indirectly by the Assignor to Lender as endorser, guarantor or other surety, as a borrower of obligations due third persons which have been endorsed or assigned to the Lender or any affiliate thereof, or otherwise), absolute or contingent, due or to become due, now existing or hereafter arising or contracted, including, without limitation, payment when due of all amounts outstanding respecting any of the Loan documents and the due and prompt performance of all of the terms, agreements, covenants and conditions of the Note, the Loan Agreement and the other Loan Documents; (iii) payment in full of any and all expenses that may be paid or incurred by the Lender in the collection of all or any portion of the obligations hereunder or the exercise or enforcement of any one or more of the other rights, powers, privileges, remedies and interests of the Lender under the Loan Documents or hereunder including, without limitation, reasonable attorneys' fees, irrespective of the manner or success of any such collection, exercise or enforcement, and whether or not such expenses constitute part of the Assignor's obligations; and (iv) full and prompt payment and performance of any and all other obligations of the Assignor to the Lender under the terms of the Loan Documents (collectively, the "Obligations").

Unless otherwise provided herein, the rules of interpretation set forth in the Loan Documents shall be applicable to this Agreement.

Section 2. Grant of Security Interest.

(a) As collateral security for the payment and performance in full of all of the Obligations, to the greatest extent permitted by law and/or applicable contracts, the Assignor hereby unconditionally, absolutely and irrevocably grants to the Lender a continuing second priority security interest in and second priority lien on the Pledged Intellectual Property, and pledges, assigns and mortgages (but does not transfer title to) the Pledged Intellectual Property to the Lender.

(b) In addition to, and not by way of limitation of, the grant, pledge and mortgage of the Pledged Intellectual Property provided in Section 2(a), the Assignor grants, assigns, transfers, conveys and sets over to the Lender the Assignor's entire right, title and interest in and to the Pledged Intellectual Property; provided that such grant, assignment, transfer and conveyance shall be and become of force and effect only (a) upon or after the occurrence and during the continuance of an Event of Default and (b) either (i) upon the written demand of the Lender at any time during such continuance or (ii) immediately and automatically (without notice or action of any kind by the Lender) upon an Event of Default or upon the sale or other disposition of or foreclosure upon the Collateral (including the transfer or other disposition of the Collateral by the Assignor to the Lender or its nominee in lieu of foreclosure).

(c) Pursuant to the Loan Agreement, the Assignor has granted to the Lender a continuing security interest in and lien on the Collateral (including the Pledged Intellectual Property). The Loan Documents, and all rights and interests of the Lender in and to the Collateral (including the Pledged Intellectual Property) thereunder, are hereby ratified and confirmed in all respects. In no event shall this Agreement, the grant, assignment, transfer and conveyance of the Pledged Intellectual Property hereunder, or the recordation of this Agreement (or any document hereunder) with the PTO, adversely affect or impair, in any way or to any extent, the security interest of the Lender in the Collateral (including the Pledged Intellectual Property) pursuant to this Agreement, the attachment and perfection of such security interest under the Uniform Commercial Code (including the security interest in the Pledged Intellectual Property), or any present or future rights and interests of the Lender in and to the Collateral under or in connection with this Agreement or the Uniform Commercial Code. Any and all rights and interests of the Lender in and to the Pledged Intellectual Property (and any and all obligations of the Assignor with respect to the Pledged Intellectual Property) provided herein, or arising hereunder or in connection herewith, shall only supplement and be cumulative and in addition to the rights and interests of the Lender (and the obligations of the Assignor) in, to or with respect to the Collateral (including the Pledged Intellectual Property) provided in or arising under or in connection with the Loan Documents and shall not be in derogation thereof.

Section 3. Representations, Warranties and Covenants.

The Assignor represents, warrants and covenants that: (a) Schedule A sets forth a true and complete list of all Intellectual Property and Intellectual Property Registrations now owned, licensed, controlled or used by the Assignor; (b) the Intellectual Property and Intellectual Property Registrations are subsisting and have not been adjudged invalid or unenforceable by a court, in whole or in part, and there is no litigation or proceeding pending concerning the validity or enforceability of the Intellectual Property or Intellectual Property Registrations; (c) to the best of the Assignor's knowledge, each of the Intellectual Property and Intellectual Property Registrations is valid and enforceable; (d) to the best of the Assignor's knowledge, there is no infringement by others of the Intellectual Property, Intellectual Property Registration or Intellectual Property Rights; (e) to the best of the Assignor's knowledge, no claim has been made that the use of any of the Intellectual Property does or may violate the rights of any third person, and to the best of the Assignor's knowledge, there is no infringement by the Assignor of the trademark rights of others; (f) the Assignor is the sole and exclusive owner of the entire and unencumbered right, title and interest in and to the Intellectual Property (other than ownership and other rights reserved by third party owners with respect to Intellectual Property that the Assignor is licensed to use), free and clear of any liens, charges, encumbrances and adverse claims, including pledges, assignments, licenses, registered user agreements and covenants by the Assignor not to sue third persons, other than the security interest and assignment created by the Loan Documents and this Agreement; (g) the Assignor has the unqualified right to enter into this Agreement and to perform its terms and has entered and will enter into written agreements with each of its present and future employees, agents, consultants, licensors and licensees that will enable them to comply with the covenants herein contained; (h) the Assignor has used, and will continue to use, proper statutory and other appropriate proprietary notices in connection with its use of the Intellectual Property; (i) the Assignor has used, and will continue to use for the duration of this Agreement, consistent standards of quality in its manufacture and provision of products and services sold or provided under the Intellectual Property.

Section 4. No Transfer or Inconsistent Agreements. Without the Lender's prior written consent the Assignor will not (a) mortgage, pledge, assign, encumber, grant a security interest in, transfer, license or alienate any of the Pledged Intellectual Property other than in the ordinary course of business and upon prior written notice to Assignee, or (b) enter into any agreement that is inconsistent with the Assignor's obligations under this Agreement or the Loan Documents.

Section 5. After-Acquired Patents.

(a) If, before the Obligations shall have been finally paid and satisfied in full, the Assignor shall obtain any right, title or interest in or to any other or new Patents or Intellectual Property Rights, the provisions of this Agreement shall automatically apply thereto and the Assignor shall promptly provide to the Lender notice thereof in writing and execute and deliver to the Lender such documents or instruments as the Lender may

reasonably request further to implement, preserve or evidence the Lender's interest therein.

(b) The Assignor authorizes the Lender to modify this Agreement and the Assignment of Intellectual Property without the necessity of the Assignor's further approval or signature, by amending Exhibit A hereto and the Annex to the Assignment of Intellectual Property to include any future or other Patents or Intellectual Property Rights under Section 2 or Section 5.

Section 6. Patent Prosecution.

(a) The Assignor shall assume full and complete responsibility for the prosecution, defense, enforcement or any other necessary or desirable actions in connection with the Pledged Intellectual Property, and shall hold the Lender harmless from any and all reasonable costs, damages, liabilities and expenses that may be incurred by the Lender in connection with the Lender's interest in the Pledged Intellectual Property or any other action or failure to act in connection with this Agreement or the transactions contemplated hereby. In respect of such responsibility, the Assignor shall retain patent counsel acceptable to the Lender.

(b) The Assignor shall have the right and the duty, through patent counsel acceptable to the Lender, to prosecute diligently any patent application of the Intellectual Property pending as of the date of this Agreement or thereafter, to preserve and maintain all rights in the Intellectual Property, including the filing of appropriate renewal applications and other instruments and the payment when due of all registration renewal fees and patent maintenance fees and other fees, taxes and other expenses that shall be incurred or that shall accrue with respect to any of the Intellectual Property. Any reasonable expenses incurred in connection with such applications and actions shall be borne by the Assignor. The Assignor shall not abandon any filed Intellectual Property without the consent of the Lender.

(c) The Assignor shall have the right to bring suit or other action in the Assignor's own name to maintain and enforce the Intellectual Property and the Intellectual Property Rights. The Assignor may require the Lender to join in such suit or action as necessary to assure the Assignor's ability to bring and maintain any such suit or action in any proper forum if (but only if) the Lender is completely satisfied that such joinder will not subject the Lender to any risk of liability. The Assignor shall promptly, upon demand, reimburse and indemnify the Lender for all damages, reasonable costs and expenses, including reasonable legal fees, incurred by the Lender pursuant to this Section 6 (c).

(d) In general, the Assignor shall take any and all such reasonable actions (including institution and maintenance of suits, proceedings or actions) as may be necessary or appropriate to properly maintain, protect, preserve, care for and enforce the Pledged Intellectual Property. The Assignor shall not take or fail to take any reasonable action,

nor permit any reasonable action to be taken or not taken by others under its control, that would adversely affect the validity, grant or enforcement of the Pledged Intellectual Property.

(e) Promptly upon obtaining knowledge thereof, the Assignor will notify the Lender in writing of the institution of, or any final adverse determination in, any proceeding in the PTO or any similar office or agency of the United States or any foreign country, or any court, regarding the validity of any of the Intellectual Property or the Assignor's rights, title or interests in and to the Pledged Intellectual Property, and of any event that does or reasonably could materially adversely affect the value of any of the Pledged Intellectual Property, the ability of the Assignor or the Lender to dispose of any of the Pledged Intellectual Property or the rights and remedies of the Lender in relation thereto (including but not limited to the levy of any legal process against any of the Pledged Intellectual Property).

(f) Notwithstanding any other term or provision set forth in Section 6 hereof, Assignor shall be required to commence and prosecute the actions set forth or referred to in Section 6 only in those instances where the failure to do so would result in or cause a materially adverse effect to the economic viability of Assignor or would materially and adversely affect any of Assignor's assets; and in those instances where the cost to defend and maintain any of said actions is, in the reasonable business judgment of Assignor, justified.

Section 7. Remedies. Upon the occurrence and during the continuance of an Event of Default, the Lender shall have, in addition to all other rights and remedies given it by this Agreement (including, without limitation, those set forth in Section 2, the Loan Documents, those allowed by law and the rights and remedies of a secured party under the Uniform Commercial Code as enacted in the Commonwealth of Massachusetts and, without limiting the generality of the foregoing, the Lender may immediately, without demand of performance and without other notice (except as set forth next below) or demand whatsoever to the Assignor, all of which are hereby expressly waived, sell or license at public or private sale or otherwise realize upon the whole or from time to time any part of the Pledged Intellectual Property, or any interest that the Assignor may have therein, and after deducting from the proceeds of sale or other disposition of the Pledged Intellectual Property all reasonable expenses incurred by the Lender in attempting to enforce this Agreement (including all reasonable expenses for broker's fees and legal services), shall apply the residue of such proceeds toward the payment of the Obligations as set forth in or by reference in the Loan Documents. Notice of any sale, license or other disposition of the Pledged Intellectual Property shall be given to the Assignor at least fifteen (15) days before the time that any intended public sale or other public disposition of the Pledged Intellectual Property is to be made or after which any private sale or other private disposition of the Pledged Intellectual Property may be made, which the Assignor hereby agrees shall be reasonable notice of such public or private sale or other disposition. At any such sale or other disposition, the Lender may, to the extent permitted under applicable law, purchase or license the whole or any

part of the Pledged Intellectual Property or interests therein sold, licensed or otherwise disposed of.

Section 8. Collateral Protection. If the Assignor shall fail to do any act that it has covenanted to do hereunder, or if any representation or warranty of the Assignor shall be breached, the Lender, in its own name or that of the Assignor (in the sole discretion of the Lender), may (but shall not be obligated to) do such act or remedy such breach or cause such act to be done or such breach to be remedied), and the Assignor agrees promptly to reimburse the Lender for any reasonable cost or expense incurred by the Lender in so doing.

Section 9. Power of Attorney. If any Event of Default shall have occurred and be continuing, the Assignor does hereby make, constitute and appoint the Lender (and any officer or agent of the Lender as the Lender may select in its exclusive discretion) as the Assignor's true and lawful attorney-in-fact, with full power of substitution and with the power to endorse the Assignor's name on all applications, documents, papers and instruments necessary for the Lender to use the Pledged Intellectual Property, or to grant or issue any exclusive or nonexclusive license of any of the Pledged Intellectual Property to any third person, or to take any and all actions necessary for the Lender to assign, pledge, convey or otherwise transfer title in or dispose of any of the Pledged Intellectual Property or any interest of the Assignor therein to any third person, and, in general, to execute and deliver any instruments or documents and do all other acts that the Assignor is obligated to execute and do hereunder. The Assignor hereby ratifies all that such attorney shall lawfully do or cause to be done by virtue hereof and releases the Lender from any claims, liabilities, causes of action or demands arising out of or in connection with any action taken or omitted to be taken by the Lender under this power of attorney (except for the Lender's gross negligence or willful misconduct). This power of attorney is coupled with an interest and shall be irrevocable for the duration of this Agreement.

Section 10. Further Assurances. The Assignor shall, at any time and from time to time, and at its expense, make, execute, acknowledged and deliver, and file and record as necessary or appropriate with governmental or regulatory authorities, agencies or offices, such agreements, assignments, documents and instruments, and do such other and further acts and things (including, without limitation, obtaining consents of third parties), as the Lender may reasonably request or as may be necessary or appropriate in order to implement and effect fully the intentions, purposes and provisions of this Agreement, or to assure and confirm to the Lender the grant, perfection and priority of the Lender's security interest in the Pledged Intellectual Property.

Section 11. Termination. At such time as all of the Obligations have been finally paid and satisfied in full, this Agreement shall terminate and the Lender shall, upon the written request and at the expense of the Assignor, execute and deliver to the Assignor all deeds, assignments and other instruments as may be necessary or proper to reassign and reconvey to and revert in the Assignor the entire right, title and interest to the Pledged Intellectual Property previously granted, assigned, transferred and conveyed to the Lender by the Assignor pursuant to this

Agreement, as fully as if this Agreement had not been made, subject to any disposition of all or any part thereof that may have been made by the Lender pursuant hereto or the Loan Agreement.

Section 12. Course of Dealing. No course of dealing between the Assignor and the Lender, nor any failure to exercise, nor any delay in exercising, on the part of the Lender, any right, power or privilege hereunder or under the Loan Documents or any other agreement shall operate as a waiver thereof; nor shall any single or partial exercise of any right, power or privilege hereunder or thereunder preclude any other, or further exercise thereof or the exercise of any other right, power or privilege.

Section 13. Expenses. Any and all reasonable fees, costs and expenses, of whatever kind or nature, including the reasonable attorneys' fees and expenses incurred by the Lender in connection with the preparation of this Agreement and all other documents relating hereto, the consummation of the transactions contemplated hereby or the enforcement hereof, the filing or recording of any documents (including all taxes in connection therewith) in public offices, the payment or discharge of any taxes, counsel fees, maintenance or renewal fees, encumbrances, or otherwise protecting, maintaining or preserving the Pledged Intellectual Property, or in defending or prosecuting any actions or proceedings arising out of or related to the Pledged Intellectual Property, shall be borne and paid by the Assignor.

Section 14. Overdue Amounts. Until paid, all amounts due and payable by the Assignor hereunder shall be a debt secured by the Pledged Intellectual Property and other Collateral and shall bear, whether before or after judgment, interest at the rate of interest for overdue principal set forth in the Loan Agreement.

Section 15. No Assumption of Liability; Indemnification. NOTWITHSTANDING ANYTHING TO THE CONTRARY CONTAINED HEREIN, THE LENDER ASSUMES NO LIABILITIES OF THE ASSIGNOR WITH RESPECT TO ANY CLAIM OR CLAIMS REGARDING THE ASSIGNOR'S OWNERSHIP OR PURPORTED OWNERSHIP OF, OR RIGHTS OR PURPORTED RIGHTS ARISING FROM, ANY OF THE PLEDGED INTELLECTUAL PROPERTY OR ANY USE, LICENSE OR SUBLICENSE THEREOF, WHETHER ARISING OUT OF ANY PAST, CURRENT OR FUTURE EVENT, CIRCUMSTANCE, ACT OR OMISSION OR OTHERWISE. ALL OF SUCH LIABILITIES SHALL BE EXCLUSIVELY THE RESPONSIBILITY OF THE ASSIGNOR. AND THE ASSIGNOR SHALL INDEMNIFY THE LENDER FOR ANY AND ALL REASONABLE COSTS, REASONABLE EXPENSES, DAMAGES AND CLAIMS, INCLUDING LEGAL FEES INCURRED BY THE LENDER WITH RESPECT TO SUCH LIABILITIES.

Section 16. Notices. All notices and other communications made or required to be given pursuant to this Agreement shall be in writing and shall be delivered in hand, mailed by United States registered or certified first-class mail, postage prepaid, or sent by telegraph, teletype or telex and confirmed by delivery via courier or postal service, addressed as follows:

(a) if to the Assignor, at 99 Industrial Drive, Northampton, Massachusetts 01060, ATTENTION: Suki A. Kramer, President, or at such other addresses for notice as the Assignor shall last have furnished in writing to the person giving the notice; and

(b) if to the Lender, at Massachusetts Growth Capital Corporation, 529 Main Street, Boston, Massachusetts 02129, Attention: Neil Martin, Chief Operating Officer, or at such other address for notice as the Lender shall last have furnished in writing to the person giving the notice.

Any such notice or demand shall be deemed to have been duly given or made and to have become effective (i) if delivered by hand to a responsible officer of the party to which it is directed, at the time of the receipt thereof by such officer, (ii) if sent by registered or certified first-class mail, postage prepaid, two (2) Business Days after the posting thereof, and (iii) if sent by telegraph, teletype, or telex, at the time of the dispatch thereof, if in normal business hours in the country of receipt, or otherwise at the opening of business on the following Business Day.

Section 17. Amendment and Waiver. This Agreement is subject to modification only by a writing signed by the Lender and the Assignor, except as provided in Section 5(b). The Lender shall not be deemed to have waived any right hereunder unless such waiver shall be in writing and signed by the Lender. A waiver on any one occasion shall not be construed as a bar to or waiver of any right on any future occasion.

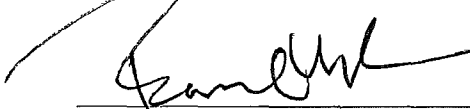

Section 18. Governing Law; Consent to Jurisdiction. THIS AGREEMENT IS INTENDED TO TAKE EFFECT AS A SEALED INSTRUMENT AND SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAWS OF THE COMMONWEALTH OF MASSACHUSETTS. The Assignor agrees that any suit for the enforcement of this Agreement may be brought in the courts of the Commonwealth of Massachusetts, or any federal court sitting therein and consents to the nonexclusive jurisdiction of such court and to service of process in any such suit being made upon the Assignor by mail at the address specified in Section 16. The Assignor hereby waives any objection that it may now or hereafter have to the venue of any such suit or any such court or that such suit is brought in an inconvenient court.

Section 19. Waiver of Jury Trial. THE ASSIGNOR WAIVES ITS RIGHT TO A JURY TRIAL WITH RESPECT TO ANY ACTION OR CLAIM ARISING OUT OF ANY DISPUTE IN CONNECTION WITH THIS AGREEMENT, AND ANY RIGHTS OR OBLIGATIONS HEREUNDER OR THE PERFORMANCE OF ANY SUCH RIGHTS OR OBLIGATIONS. Except as prohibited by law, the Assignor waives any right which it may have to claim or recover in any litigation referred to in the preceding sentence any special exemplary, punitive or consequential damages or any damages other than, or in addition to, actual damages. The Assignor (a) certifies that neither the Lender nor any representative, agent or attorney of the Lender has represented, expressly or otherwise, that the Lender would not, in the event of litigation, seek to enforce the foregoing waivers, and (b) acknowledges that, in entering into the Loan Agreement and the other Loan Documents to which the Lender is a party, the Lender is relying upon, among other things, the waivers and certifications contained in this Section 20.
