Trademark Security Agreement

Trademark Security Agreement, dated as of April 2, 2015, by TELALASKA INCORPORATED, an Alaska corporation with offices located at 260 East 56th Avenue, Anchorage, AK 99518 (the “Grantor”), in favor of FORTRESS CREDIT CO LLC, a Delaware limited liability company (“Fortress”), with offices located at 1345 Avenue Of The Americas, 46th Floor, New York, NY 10105, as collateral agent for the Secured Parties (as successor to Prospect Capital Corporation (“Prospect”), in such capacity, together with its successors and assigns in such capacity, the “Collateral Agent”).

WITNESSETH:

WHEREAS, the Grantor is party to a Guaranty and Security Agreement dated as of September 11, 2013 (as amended, amended and restated, supplemented or otherwise modified from time to time, the “Security Agreement”) in favor of the Collateral Agent pursuant to which the Grantor is required to execute and deliver this Trademark Security Agreement;

WHEREAS, pursuant to the Agent Resignation and Appointment, dated as of April 2, 2015, Prospect resigned as “Collateral Agent” under and as defined in the Security Agreement, and Fortress was appointed, and accepted such appointment, as the new “Collateral Agent” under and as defined in the Security Agreement;

NOW, THEREFORE, in consideration of the premises and to induce the Collateral Agent, for the benefit of the Secured Parties, and Lenders to enter into the Loan Agreement, the Grantor hereby agrees with the Collateral Agent as follows:

SECTION 1. Defined Terms. Unless otherwise defined herein, terms defined in the Security Agreement and used herein have the meaning given to them in the Security Agreement.

“Trademark Collateral” shall mean, collectively, with respect to the Grantor, (a) all trademarks (including service marks), slogans, logos, certification marks, “doing business as” names, trade styles, trade dress, uniform resource locators (URL’s), domain names, corporate names, trade names, other source or business identifiers, designs and general intangibles of like nature, whether registered or unregistered, owned by or assigned to such Grantor and all registrations, recordations and applications for the foregoing (whether statutory or common law and whether established or registered in the United States or any other country or any political subdivision thereof), including, without limitation, those listed on Schedule I to this Trademark Security Agreement, together with any and all (i) rights and privileges arising under Applicable Law with respect to the Grantor’s use of any trademarks, (ii) reissues, continuations, extensions and renewals thereof and amendments thereto, (iii) income, fees, royalties, damages and payments now and hereafter due and/or payable thereunder and with respect thereto, including damages, claims and payments for past, present or future infringements thereof, (iv) rights corresponding thereto throughout the world, (v) all Goodwill connected with the use thereof and symbolized thereby and (vi)

rights to sue for past, present and future infringements thereof; and (b) all Proceeds and products of any and all of the foregoing and all accessions to, substitutions and replacements for, and rents, profits and products of, each of the foregoing, and any and all Proceeds of any insurance, indemnity, warranty or guaranty payable to the Grantor from time to time with respect to any of the foregoing.

SECTION 2. Grant of Security Interest in Trademark Collateral. As security for the payment and performance in full of the Secured Obligations, the Grantor hereby mortgages, pledges and hypothecates to the Collateral Agent, for the benefit of the Secured Parties, and hereby grants to the Collateral Agent, for the benefit of the Secured Parties, a security interest in and lien on, all of the Grantor's right, title and interest in, to and under the Trademark Collateral of the Grantor, wherever located, whether now existing or hereafter arising or acquired from time to time.

SECTION 3. Security Agreement. The security interests granted pursuant to this Trademark Security Agreement are granted in conjunction with the security interests granted to the Collateral Agent pursuant to the Security Agreement and Grantor hereby acknowledges and affirms that the rights and remedies of the Collateral Agent with respect to the security interests in the Trademarks made and granted hereby are more fully set forth in the Security Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein. In the event that any provision of this Trademark Security Agreement is deemed to conflict with the Security Agreement, the provisions of the Security Agreement shall control unless the Collateral Agent shall otherwise reasonably determine.

SECTION 4. Termination. Upon the Payment in Full of the Secured Obligations, at the request of the Grantor, the Collateral Agent shall execute, acknowledge, and deliver to the Grantor a written instrument in recordable form releasing the collateral pledges, grants, liens and security interests in the Trademarks under this Trademark Security Agreement.

SECTION 5. Counterparts. This Trademark Security Agreement may be executed in any number of counterparts, all of which shall constitute one and the same instrument, and any party hereto may execute this Trademark Security Agreement by signing and delivering one or more counterparts. Delivery of an executed signature page to this Trademark Security Agreement by facsimile or other electronic transmission shall be effective as delivery of a manually executed counterpart thereof.

SECTION 6. **GOVERNING LAW; WAIVER OF CERTAIN RIGHTS; DISPUTE RESOLUTION. SECTIONS 12.14 AND 12.15 OF THE LOAN AGREEMENT AND ARTICLE XIII OF THE LOAN AGREEMENT ARE INCORPORATED HEREIN, MUTATIS MUTANDIS, AS IF A PART HEREOF.**

[signature page follows]

IN WITNESS WHEREOF, the Grantor has caused this Trademark Security Agreement to be executed and delivered by its duly authorized officer as of the date first set forth above.

Very truly yours,

TELALASKA, INCORPORATED
