WE ASSIGNED YOU AN EMPLOYER IDENTIFICATION NUMBER

Thank you for applying for an Employer Identification Number (EIN). We assigned you EIN 46-1258997. This EIN will identify you, your business accounts, tax returns, and documents, even if you have no employees. Please keep this notice in your permanent records.

When filing tax documents, payments, and related correspondence, it is very important that you use your EIN and complete name and address exactly as shown above. Any variation may cause a delay in processing, result in incorrect information in your account, or even cause you to be assigned more than one EIN. If the information is not correct as shown above, please make the correction using the attached tear off stub and return it to us.

Based on the information received from you or your representative, you must file the following form(s) by the date(s) shown.

Form 1065

04/15/2013

If you have questions about the form(s) or the due date(s) shown, you can call us at the phone number or write to us at the address shown at the top of this notice. If you need help in determining your annual accounting period (tax year), see Publication 538, *Accounting Periods and Methods*.

We assigned you a tax classification based on information obtained from you or your representative. It is not a legal determination of your tax classification, and is not binding on the IRS. If you want a legal determination of your tax classification, you may request a private letter ruling from the IRS under the guidelines in Revenue Procedure 2004-1, 2004-1 I.R.B. 1 (or superseding Revenue Procedure for the year at issue). Note: Certain tax classification elections can be requested by filing Form 8832, *Entity Classification Election*. See Form 8832 and its instructions for additional information.

A limited liability company (LLC) may file Form 8832, *Entity Classification Election*, and elect to be classified as an association taxable as a corporation. If the LLC is eligible to be treated as a corporation that meets certain tests and it will be electing S corporation status, it must timely file Form 2553, *Election by a Small Business Corporation*. The LLC will be treated as a corporation as of the effective date of the S corporation election and does not need to file Form 8832.

To obtain tax forms and publications, including those referenced in this notice, visit our Web site at www.irs.gov. If you do not have access to the Internet, call 1-800-829-3676 (TTY/TDD 1-800-829-4059) or visit your local IRS office.

Dear Taxpayer:

We received your Form(s) 7004 for the tax period(s) shown above. We are sorry, but we are unable to process your form(s) as filed.

Our records indicate you are established as a(n) Limited Liability Company (LLC).

Your Form 8832, Entity Classification Election, was accepted to classify your LLC as a corporation effective Oct. 17, 2012. Therefore, Form 1065 is not valid for the tax period(s) shown above.

On your Form 7004, Application for Automatic Extension of Time To File Certain Business Income Tax, Information, and Other Returns, you indicated that you would be filing a Form 1065. According to our records, you should be filing a Form 1120. Please submit a new Form 7004 requesting an extension for Form 1120 within 30 days from the date of this letter.

If you do not respond within this time frame, we will convert your existing Form 7004 to indicate an extension requesting Form 1120.

We need your help to keep our records current. Recently, the post office returned as "undeliverable" tax information we sent to you. We identified the address shown above through research, but are unable to update our records without your written verification.

Please complete and return a Form 8822-B, Change of Address - Business, to help us update our records. Be sure to date, sign the
