TRADEMARK SECURITY AGREEMENT  
(SHORT-FORM)

TRADEMARK SECURITY AGREEMENT (this “**Agreement**”), dated as of April 14, 2015, among SABRE HOLDINGS CORPORATION (“**Holdings**”), SABRE GLBL INC. (the “**Company**”), the Subsidiary Guarantors (each of the foregoing, including the Company, a “**Grantor**”) and WELLS FARGO BANK, NATIONAL ASSOCIATION, as Collateral Agent for the Secured Parties (as defined below).

Reference is made to the Pledge and Security Agreement dated as of April 14, 2015 (as amended, supplemented or otherwise modified from time to time, the “**Security Agreement**”), among Holdings, the Company, the Subsidiary Guarantors and Wells Fargo Bank, National Association as Collateral Agent. Accordingly, the parties hereto agree as follows:

Section 1. Terms. Capitalized terms used in this Agreement and not otherwise defined herein have the meanings specified in the Security Agreement. The rules of construction specified in Article I of the Indenture also apply to this Agreement.

Section 2. Grant of Security Interest. As security for the payment or performance, as the case may be, in full of the Obligations, each Grantor, pursuant to and in accordance with the Security Agreement, did and hereby does grant to the Collateral Agent, its successors and assigns, for the benefit of the Secured Parties, a security interest in, all right, title and interest in or to any and all of the following assets and properties now owned or at any time hereafter acquired by such Grantor or in which such Grantor now has or at any time in the future may acquire any right, title or interest (collectively, the “**Trademark Collateral**”); provided that no security interest shall attach to any such Trademark Collateral if and for so long as the grant of such security interest would result in the abandonment, invalidation, unenforceability or termination of such Trademark Collateral; and provided further that such security interest shall attach immediately at such time as the condition causing such abandonment, invalidation, unenforceability or termination shall be remedied:

- (a) all trademarks, service marks, trade names, corporate names, trade dress, logos, designs, fictitious business names, other source or business identifiers, now existing or hereafter adopted or acquired, all registrations and recordings thereof, and all registration and recording applications filed in connection therewith, including registrations and registration applications in the USPTO or any similar offices in any State of the United States or any other country or any political subdivision thereof, and all extensions or renewals thereof, as well as any unregistered trademarks and service marks used by a Grantor, and
- (b) all goodwill connected with the use of and symbolized thereby.

It is the intent of the parties that this Agreement grants a security interest in the Trademark Collateral and is not intended to be, and shall not be deemed to be, an assignment of the Trademark Collateral.

Section 3. Termination. This Agreement is made to secure the satisfactory performance and payment of the Obligations. This Agreement and the security interest granted hereby shall terminate with respect to all of a Grantor’s Obligations and any Lien arising therefrom shall be automatically released upon termination of the Security Agreement or release of such Grantor’s obligations thereunder. The Collateral Agent shall, in connection with any termination or release herein or under the Security Agreement, execute and deliver to any Grantor as such Grantor may request, an instrument in writing

releasing the security interest in the Trademark Collateral acquired under this Agreement. Additionally, upon such satisfactory performance or payment, the Collateral Agent shall reasonably cooperate with any efforts made by a Grantor to make of record or otherwise confirm such satisfaction including, but not limited to, the release and/or termination of this Agreement and any security interest in, to or under the Trademark Collateral.

Section 4. Supplement to the Security Agreement. The security interests granted to the Collateral Agent herein are granted in furtherance, and not in limitation of, the security interests granted to the Collateral Agent pursuant to the Security Agreement. Each Grantor hereby acknowledges and affirms that the rights and remedies of the Collateral Agent with respect to the Trademark Collateral are more fully set forth in the Security Agreement, the terms and provisions of which are hereby incorporated herein by reference as if fully set forth herein. In the event of any conflict between the terms of this Agreement and the Security Agreement, the terms of the Security Agreement shall govern.

Section 5. Representations and Warranties. Holdings and the Company jointly and severally represent and warrant, as to themselves and the other Grantors, to the Collateral Agent and the Secured Parties, that a true and correct list of all of the existing material Trademark Collateral consisting of Trademark registrations or applications registered or filed with the USPTO owned by the Grantor, in whole or in part, is set forth in Schedule I.

Section 6. Miscellaneous. The provisions of Article VII of the Security Agreement are hereby incorporated by reference.

**NOTWITHSTANDING ANYTHING HEREIN TO THE CONTRARY, THE LIEN AND SECURITY INTEREST GRANTED TO THE COLLATERAL AGENT, FOR THE BENEFIT OF THE SECURED PARTIES, PURSUANT TO THIS AGREEMENT AND THE EXERCISE OF ANY RIGHT OR REMEDY BY THE COLLATERAL AGENT AND THE OTHER SECURED PARTIES HEREUNDER ARE SUBJECT TO THE PROVISIONS OF THE INTERCREDITOR AGREEMENT. IN THE EVENT OF ANY CONFLICT OR INCONSISTENCY BETWEEN THE PROVISIONS OF THE INTERCREDITOR AGREEMENT AND THIS AGREEMENT, THE PROVISIONS OF THE INTERCREDITOR AGREEMENT SHALL CONTROL.**

[Signatures on following page]

IN WITNESS WHEREOF, the parties hereto have duly executed this Agreement as of the day and year first above written.
