CONFIRMATION OF TRADEMARK ASSIGNMENT

This Confirmation of Trademark Assignment is made and entered into as of the date signed below ("Effective Date") by Bowman Apple Products Co., Inc., a Virginia corporation, having an address at Post Office Box 817, Mount Jackson, VA 22842 ("Assignor"), in favor of Bowman Andros Products, LLC, a Delaware limited liability company, having an address at Post Office Box 817, Mount Jackson, VA 22842 ("Assignee").

A. Immediately prior to the Effective date, Assignor was the owner of the marks on the attached Schedule A (the "Marks") and the goodwill of the business associated with the Marks.

B. Pursuant to the Contribution and Joint Venture Agreement dated April 8, 2011 between Assignor and Andros Foods USA, Inc., Assignor agreed to assign to Assignee at the closing of that Contribution and Joint Venture Agreement transaction all of its right, title, and interest in and to the Marks and the goodwill of the business associated with the Marks.

C. Assignor and Andros Foods USA, Inc. have now closed the transaction contemplated by their Contribution and Joint Venture Agreement, through which Assignor has assigned to Assignee all of its right, title, and interest in and to the Marks and the goodwill of the business associated with the Marks.

D. The parties desire to confirm and made a record of that assignment to Assignee.

Now, therefore, for good and valuable consideration, the receipt and sufficiency of which the parties acknowledge, Assignor confirms that it has assigned, transferred and set over to Assignee its entire right, title, and interest in and to the Marks, any trademark registrations for the Marks, and the goodwill of the business associated with the Marks, including the right to sue for and receive all damages from past infringements of the Marks, the same to be held and enjoyed by Assignee, its successors, assigns and other legal representatives. Further, Assignor agrees to take any further steps reasonably necessary to give effect to this confirmatory trademark assignment and agrees not to take any actions inconsistent with this trademark assignment or Assignee's use of the Marks or variations thereof.
