RELEASE OF SECURITY INTERESTS IN INTELLECTUAL PROPERTY

This Release of Security Interests in Intellectual Property (this “**Release**”), dated as of April 15, 2015 (the “**Release Date**”), is between DXTERITY DIAGNOSTICS INCORPORATED, a California corporation (“**Grantor**”), and Silicon Valley Bank, a California Corporation (the “**Secured Party**”).

WHEREAS, an Intellectual Property Security Agreement between the Grantor and the Secured Party was recorded on September 4, 2013 (i) by the Trademark Assignment Division of the U.S. Patent and Trademark Office, at Reel/Frame 5103/0248, and (ii) by the Patent Assignment Division of the U.S. Patent and Trademark Office, at Reel/Frame 31156/570 and Reel/Frame 33845/51 (the “**Security Agreement**”).

WHEREAS, pursuant to the Pay-Off Letter between the Grantor and the Secured Party dated April 6, 2015, the Grantor has made payment to satisfy the obligations owed to the Secured Party by the Grantor under the above recorded Security Agreement, and the Secured Party has agreed to terminate, release and discharge its security interest in all of Grantor’s Intellectual Property Collateral (as such term is defined in the Security Agreement), including, without limitation, the Patents listed on Schedule A and the Trademarks listed on Schedule B hereto.

NOW THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Grantor and Secured Party hereby agree as follows:

All of Secured Party’s security interests, liens, pledges, mortgages, and other encumbrances of any kind whatsoever created pursuant to the Security Agreement (collectively, the “**Security Interests**”) shall be automatically terminated, released and discharged, and the Secured Party shall sign any additional termination documents reasonably requested by Grantor at Grantor’s cost and expense, including filings with the U.S. Patent and Trademark Office against the Patents listed on Schedule A and the Trademarks listed on Schedule B hereto, as shall be necessary to effect the termination, release and discharge of all of the Security Interests, each at the Grantor’s cost and expense.

If and to the extent that Secured Party has acquired any right, title or interest in or to any of the Intellectual Property Collateral (as that term is defined in the Security Agreement), it hereby assigns and transfers such rights, title or interest to Grantor, along with any goodwill in the Trademarks that the Secured Party may have acquired.

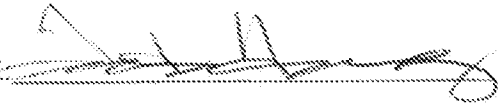

This Release may be executed in any number of counterparts, but all of such counterparts shall together constitute one and the same instrument. This Release shall be governed and construed in accordance with the laws of the State of California, without regard to the principles thereof relating to conflict of laws.

[Remainder of Page Intentionally Left Blank.]

IN WITNESS WHEREOF, each of the parties hereto has caused this document to be signed as of the date first set forth above by a duly authorized representative.
