TRADEMARK ASSIGNMENT

This **TRADEMARK ASSIGNMENT** ("Assignment"), dated April 17, 2015, is entered into by and between PGT Holdings, Inc. f/k/a PluroGen Therapeutics, Inc., a Delaware corporation having a business address of 2495 General Armistead Avenue, Norristown, Pennsylvania 19403 ("Assignor"), and PluroGen Therapeutics, LLC, a Delaware limited liability company having a business address of General Armistead Avenue, Norristown, Pennsylvania 19403 ("Assignee") (and together, "the Parties").

WHEREAS, Assignor has adopted, owns and uses certain Trademarks and Service Marks as set forth in the attached Schedule A ("the Trademarks");

WHEREAS, Pursuant to the terms of that certain Contribution Agreement dated as of April 17, 2015, by and between Assignor and Assignee, Assignor desires to assign the Trademarks to Assignee, and Assignee desires to acquire said Trademarks;

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties agree as follows:

1. Assignment. Assignor hereby grants, assigns and conveys to Assignee, and Assignee accepts, all worldwide right, title and interest in and to the Trademarks, together with the goodwill of the business symbolized thereby, throughout the world, in the sole name of Assignee, its successors and assigns. This Assignment includes all right, title and interest in and to past damages that may have accrued, whether or not now known to Assignor. Assignee, its successors and assigns, will hold and enjoy all right, title and interest, the same as would have been held and enjoyed by Assignor, had this assignment not been made.

2. Title. Assignor hereby represents and warrants that no assignment, grant, mortgage, license, pledge, encumbrance, alienation, or other agreement or action affecting the rights and property herein conveyed has been made to others by Assignor except as has been fully released as of the date hereof, and that the full right to convey the Trademarks herein expressed is possessed by Assignor. Assignor further agrees it will not challenge the validity, or assist others in challenging the validity or enforceability of the Trademarks after conveyance.

3. Cooperation. Assignor hereby covenants and agrees to execute, acknowledge and deliver, or cause to be executed, acknowledged and delivered, any and all further instruments and documents and to perform such further acts as may be necessary or desirable, in the opinion of Assignee, to enable and assist Assignee to carry out in good faith the intent and purpose of this Assignment, without additional consideration. Assignor will communicate to Assignee all facts known to Assignor relating to the Trademarks, including the history thereof, and generally do everything possible to enable Assignee to maintain and enforce the Trademarks as necessary to secure to Assignee, its successors and assigns, the rights hereby transferred.

4. Binding Effect. The terms, covenants and provisions of this Assignment shall inure to the benefit of Assignee, its successors and legal representatives, and shall be binding upon Assignor, each of its successors, assigns and legal representatives.

IN WITNESS WHEREOF, the parties hereto, intending to be legally bound, have caused this Assignment to be executed as of the date set forth above.

ASSIGNOR:
