Schedule 2

TRADEMARK ASSIGNMENT AGREEMENT

This Trademark Assignment Agreement (this "Trademark Assignment") is made as of April 21, 2015, by and between Hillerich & Bradsby Co., a Kentucky corporation, having a principal place of business at 800 West Main Street, Louisville, Kentucky 40202 ("Assignor"), and Wilson Sporting Goods Co., a Delaware corporation, having a principal place of business at 8750 W. Bryn Mawr Ave., Chicago, Illinois 60631 ("Assignee").

WHEREAS, Assignor and Assignee are parties to an Assignment and Assumption of Owned Business Intellectual Property entered into on April 21, 2015, pursuant to which Assignor agreed to transfer to Assignee all right, title, and interest in and to the trademarks identified on the attached Exhibit A-TM (the "Marks"); and

WHEREAS, Assignee is desirous of acquiring all of Assignor's rights in the Marks, including the applications and registrations identified on Exhibit A-TM.

NOW, THEREFORE, for good and valuable consideration received by Assignor from Assignee, the receipt and sufficiency of which is hereby acknowledged, the parties agree as follows:

1. Assignment of Marks. Assignor hereby sells, assigns, transfers, and conveys to Assignee all rights, title, and interest in and to the Marks, and any applications and registrations therefor, including the applications and registrations identified on the attached Exhibit A-TM, together with that part of the good will of the business associated with the use of and symbolized by the Marks, to be held and enjoyed by Assignee as fully and entirely as said interest could have been held and enjoyed by Assignor if this sale, assignment, and transfer had not been made. Assignor hereby authorizes the appropriate empowered officials at the United States Patent and Trademark Office, and at trademark offices in countries outside of the United States, to transfer all registrations and pending applications for the Marks to Assignee as assignee of the entire right, title and interest therein or otherwise as Assignee may direct, in accordance with this instrument of assignment. With respect to the U.S. Trademarks, to the extent that an application for any Mark is based on intent-to-use and no allegation of use under Section 1(c) or 1(d) of the Lanham Act has been filed for such application, Assignor is assigning each such Mark and accompanying application as part of the entire business or portion thereof to which the Mark pertains as required by Section 10 of the Lanham Act.

2. Counterparts. This Trademark Assignment may be signed in counterparts, which together shall constitute one agreement. If this Trademark Assignment is signed in counterparts, no party shall be bound until both parties have duly executed, or caused to be duly executed, a counterpart of this Trademark Assignment.
