## TRADEMARK SECURITY AGREEMENT

This **TRADEMARK SECURITY AGREEMENT** (this "*Agreement*"), dated as of May 8, 2015, is entered into by and among **DOCUSIGN, INC.**, a Delaware corporation, and **CARTAVI, LLC**, a Delaware limited liability company (each and together, jointly and severally, the "*Grantor*"), and **SILICON VALLEY BANK** (the "*Assignee*"), as Administrative Agent, pursuant to (i) that certain Guarantee and Collateral Agreement, dated as of May 8, 2015 (as amended, amended and restated, supplemented, restructured or otherwise modified, renewed or replaced from time to time, the "*Guarantee and Collateral Agreement*"), among the Assignee, the Grantor and certain of the Grantor's affiliates party thereto from time to time, and (ii) that certain Credit Agreement, dated as of May 8, 2015 (as amended, amended and restated, supplemented, restructured or otherwise modified, renewed or replaced from time to time, the "*Credit Agreement*"), by and among the Grantor, the Assignee and certain lenders party thereto.

Capitalized terms not otherwise defined herein have the respective meanings ascribed to them in the Guarantee and Collateral Agreement or the Credit Agreement, as applicable.

WHEREAS, pursuant to the Guarantee and Collateral Agreement, the Grantor has granted in favor of the Assignee a security interest in certain Collateral, including the federally registered Trademarks set forth on Schedule A hereto as of the date hereof.

NOW, THEREFORE, in consideration of the foregoing and for other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the Grantor and the Assignee hereby agree as follows:

1. Grant of Security Interest

(a) Subject to the terms and conditions of the Guarantee and Collateral Agreement, to evidence further the security interest granted by the Grantor to the Assignee pursuant to the Guarantee and Collateral Agreement, the Grantor hereby grants to the Assignee a security interest in all of the Grantor's right, title and interest in, to and under the Trademarks, whether now owned or existing or at any time hereafter acquired or arising and wherever located, as collateral security for the prompt and complete payment and performance when due (whether at the stated maturity, by acceleration or otherwise) of the Grantor's Obligations. For the purposes of this Agreement, "Trademarks" means (i) all trademarks, trade names, corporate names, company names, business names, fictitious business names, trade styles, service marks, logos, Internet domain names and other source or business identifiers, and all goodwill associated therewith, now existing or hereafter adopted or acquired, all registrations and recordings thereof, and all applications in connection therewith, whether in the United States Patent and Trademark Office or in any similar office or agency of the United States, any State thereof or any other country or any political subdivision thereof, or otherwise, and all common-law rights related thereto, including, without limitation, any of the foregoing trademarks and applications for registration referred to on Schedule A hereto, and (ii) the right to obtain all renewals thereof. Notwithstanding anything herein to the contrary, no security interest shall be granted in United States "intent to use" trademark applications to the extent that the grant of a security interest therein would impair the validity or enforceability of, or render void or voidable or result in the cancellation of, such "intent to use" trademark applications under applicable federal law).

(b) Schedule A hereto contains a true and accurate list of all of the Grantor's United States registrations and applications for registration for the Trademarks (excluding Internet domain names) existing as of the date hereof.

(c) The security interest granted hereby is granted concurrently and in conjunction with the security interest granted to the Assignee under the Guarantee and Collateral Agreement. In the event that any of the provisions of this Agreement are in conflict with the Guarantee and Collateral Agreement, the provisions of the Guarantee and Collateral Agreement shall govern.

2. Modifications

This Agreement or any provision hereof may not be changed, waived or terminated except in writing signed by both parties. Notwithstanding the foregoing, the Grantor authorizes the Assignee to modify this Agreement without obtaining the Grantor's signature to such modification, to the extent that such modification constitutes an amendment of Schedule A hereto, to add any right, title or interest in any Trademarks owned or subsequently acquired by the Grantor or to delete any reference to any right, title or interest in any Trademarks in which the Grantor no longer has or claims any right, title or interest. The Grantor additionally agrees to execute any additional agreement or amendment hereto as may be reasonably required by the Assignee from time to time, to subject any such owned or subsequently acquired right, title or interest in any Trademark to the security interests and perfection created or contemplated hereby or by the Guarantee and Collateral Agreement.
