WHEREAS, the Lender has entered into the Loan Agreement dated as of May 12, 2015 (as amended, amended and restated, supplemented or otherwise modified from time to time, the "Loan Agreement"), pursuant to which the Lender has agreed to make loans to certain Borrowers thereto, secured by the liens and security interests of certain security agreements.

WHEREAS, in connection with the Loan Agreement, the Pledgor and the Lender have entered into the Intellectual Property Security Agreement dated May 12, 2015 (as amended, amended and restated, supplemented or otherwise modified from time to time, the "Intellectual Property Security Agreement") in order to induce the Lender to make loan specified in the Loan Documents.

SECTION 1. Grant of Security. The Pledgor hereby grants to the Lender a security interest in all of such Pledgor's right, title and interest in and to the following (the "Collateral"): the United States Trademarks (as defined in the Intellectual Property Security Agreement) and Trademarks for which United States applications are pending, which are set forth in Schedule A hereto;

In the event of any conflict between the terms of this Trademark Security Agreement and the terms of the Intellectual Property Security Agreement, the terms of the Intellectual Property Security Agreement shall govern.

SECTION 5. Governing Law. This Trademark Security Agreement shall be governed by, and construed in accordance with, the laws of the State of New York.

SECTION 6. Severability. In case any one or more of the provisions contained in this Trademark Security Agreement should be held invalid, illegal or unenforceable in any respect, the validity, legality and enforceability of the remaining provisions contained herein and in the Intellectual Property Security Agreement shall not in any way be affected or impaired thereby (it being understood that the invalidity of a particular provision in a particular jurisdiction shall not in and of itself affect the validity of such provision in any other jurisdiction). The parties hereto shall endeavor in good-faith negotiations to replace the invalid, illegal or unenforceable provisions with valid provisions the economic effect of which comes as close as possible to that of the invalid, illegal or unenforceable provisions.
