## TRADEMARK AND COPYRIGHT ASSIGNMENT

This TRADEMARK AND COPYRIGHT ASSIGNMENT (the "Assignment") is made effective as of April 26, 2015 (the "Effective Date"), by and between Zoetis Products LLC, a Delaware limited liability company located at 100 Campus Drive, Florham Park, NJ, 07932 ("Assignor"), and Zoetis Services LLC, a Delaware limited liability company located at 100 Campus Drive, Florham Park, NJ, 07932 ("Assignee"). Assignor and Assignee may be referred to herein individually as a "Party" and collectively as the "Parties." Capitalized terms used but not defined herein shall have the meaning ascribed to such terms in the Asset Transfer Agreement (as defined herein).

### RECITALS:

WHEREAS, pursuant to the Asset Transfer Agreement, effective as of April 26, 2015, by and between Assignor, Assignee, and Zoetis PI LLC, Zoetis Holdings LLC, Zoetis WLC LLC, Synbiotics LLC (f/k/a Synbiotics Corporation), Embrex LLC (f/k/a Embrex, Inc.), Zoetis LLC, and Zoetis US LLC (f/k/a Zoetis B Inc.) (the "Transfer Agreement"), Assignor is assigning to the Assignee all of Assignor's right, title and interest in, to and under the Transferred Assets, including the trademark registrations, trademark applications, common law trademarks and domain names identified on Schedule A (the "Assigned Trademarks") and the registered copyrights and copyright applications identified on Schedule B hereto (the "Assigned Copyrights") and together with the Assigned Trademarks and Assigned Domain Names, the "Assigned IP").

NOW, THEREFORE, for good and valuable consideration the receipt of which is hereby acknowledged and in consideration of the mutual agreements, provisions and covenants contained in this Assignment, the Parties, intending to be legally bound, hereby agree as follows:

1. **Conveyance**. Assignor hereby transfers, conveys and assigns to Assignee its entire right, title and interest in, to and under (a) the Assigned IP, for the United States and for all foreign countries, including any and all renewals and extensions and all rights of reversion and termination thereof and goodwill symbolized thereby (as applicable), and (b) the right to sue for and to recover damages and other remedies in respect of any past, present or future infringement or other unauthorized use or violation of the Assigned IP.
2. **Issuance and Recordation**. Assignor hereby authorizes and requests the Commissioner of Patents and Trademarks and Register of Copyrights of the United States and any official of any foreign country whose duty it is to issue trademarks and copyrights (as applicable) on applications as described above, to issue any and all Assigned IP to Assignee, its successors and assigns, in accordance with the terms of this Assignment. Assignor hereby requests the Commissioner of Patents and Trademarks and Register of Copyrights, and the corresponding entities or agencies in any applicable foreign jurisdiction, to record Assignee as the assignee and owner of the applicable Assigned IP. Assignee shall have the right to record this Assignment with all applicable government authorities and registrars so as to perfect its ownership of the Assigned IP.

3. **No Modification**. Nothing contained in this Assignment is intended to or shall be deemed to modify, alter, amend or otherwise change any of the rights or obligations of Assignee or Assignor under the Transfer Agreement. Without limiting the foregoing, in the event and to the extent that there shall be a conflict between the provisions of this Assignment and the provisions of the Transfer Agreement, the Transfer Agreement shall control.
4. **Successors and Assigns**. This Assignment shall be binding upon and inure to the benefit of the Parties and their respective successors and permitted assigns.
5. **Counterparts**. This Assignment may be executed in one or more counterparts, each of which shall be deemed an original, and all of which shall constitute one and the same agreement and shall become effective when one or more counterparts have been signed by each of the Parties and delivered to the other Party, it being understood that both Parties need not sign the same counterpart.
6. **Interpretation**. The Article and Section headings contained in this Assignment are solely for the purpose of reference, are not part of the agreement of the Parties and shall not in any way affect the meaning or interpretation of this Assignment.
7. **Further Assurances**. Assignor and Assignee hereby covenant and agree, without the necessity of any further consideration, to execute, acknowledge, and deliver any and all such other documents and take any such other action as may be reasonably necessary or appropriate to implement this Assignment and carry out the intent and purposes of this Assignment.
8. **Governing Law**. This Assignment is governed by and construed in accordance with the laws of the State of New York, without regard to its conflict of law rules (other than Sections 5-1401 and 5-1402 of the New York General Obligations Law).
9. **Jurisdiction**. With respect to any suit, action or proceeding relating to this Assignment, each Party hereto irrevocably agrees and consents to be subject to the exclusive jurisdiction of the courts of the State of New York and any court of the United States located in the Borough of Manhattan in New York City; (b) waives any objection which such Party may have at any time to the laying of venue of any action brought in any such court, waives any claim that such action has been brought in an inconvenient forum and further waives the right to object, with respect to such action, that such court does not have jurisdiction over such Party; and (c) consents to the service of process at the address set forth for notices in the Transfer Agreement; provided, however, that such manner of service of process shall not preclude the service of process in any other manner permitted under applicable law.
