WHEREAS, pursuant to the Intellectual Property Security Agreements, each grantor thereunder, as applicable, granted to the Administrative Agent for the benefit of the secured parties a security interest in and to all of such grantor's right, title and interest in and to the Collateral (as defined in the Security Agreement) set forth therein, including the copyright registrations, trademark and service mark registrations and applications, and patents and patent applications listed on Schedule A hereto (collectively, the "IP Collateral");

WHEREAS, Assignor and Barclays Bank plc ("Assignee") are parties to that certain Resignation and Appointment Agreement, dated as of May 4, 2015 (the "Successor Agent Agreement"), which governs the resignation of Assignor, as Administrative Agent, and the appointment of Assignee, as successor Administrative Agent, and pursuant to which Assignor delivered notice of its resignation as Administrative Agent to the lenders and the Borrower pursuant to and in accordance with Section 13.9 and Section 14.9 of the Credit Agreement, and in connection therewith, the lenders appointed Assignee as successor Administrative Agent under the Loan Documents (as defined in the Credit Agreement); and

WHEREAS, Assignor and Assignee have agreed to execute this Assignment and Assumption to evidence the transfer and assignment of Assignor's interest in the Intellectual Property Security Agreements for recordation with the United States Patent and Trademark Office and the Canadian Intellectual Property Office.

NOW, THEREFORE, in consideration of the foregoing and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, each of Assignor and Assignee hereby agree as follows:

The effective date of this Assignment and Assumption shall be May 4, 2015 (the "Effective Date").

As of the Effective Date, Assignor hereby irrevocably assigns to Assignee, and Assignee hereby assumes from Assignor, all of Assignor's interest in the Intellectual Property Security Agreements and all rights, powers, privileges, remedies, obligations and other interests of Assignor thereunder, including all security interests held by Assignor in and to the IP Collateral.

From and after the Effective Date, (a) each reference in the Intellectual Property Security Agreements to "Administrative Agent" shall be deemed to be a reference to Assignee, in its capacity as successor Administrative Agent, (b) Assignee shall have the rights, remedies, obligations and other interests of the Administrative Agent under the Intellectual Property Security Agreements and shall be bound by the provisions thereof, and (c) Assignor shall relinquish its rights and remedies and other interests and be discharged from its obligations under the Intellectual Property Security Agreements, except to the extent otherwise expressly provided in the Successor Agent Agreement.

THIS ASSIGNMENT AND ASSUMPTION SHALL BE GOVERNED BY, AND CONSTRUED AND INTERPRETED IN ACCORDANCE WITH, THE LAW OF THE STATE OF NEW YORK.

This Assignment and Assumption may be executed in any number of counterparts and by different parties hereto in separate counterparts (including by facsimile or other electronic transmission), each of which when so executed and delivered shall be deemed to be an original, but all such counterparts together shall constitute one and the same agreement.
