This Assignment is effective as of **January 20, 2014**, the date upon which Assignor filed for the Trademark.

2. **Consideration**

In consideration for the assignment detailed in Section 1, Assignee agrees to pay Assignor the sum of \$1.00.

3. **Entire Agreement**

This Agreement constitutes the entire agreement and supersedes all prior agreements between the Parties with respect to the subject matter of this Agreement.

4. **Amendment**

This Agreement may be amended only by a written agreement signed by the Parties and attached to this Agreement.

5. **Severability**

This Agreement will be enforced to the fullest extent permitted by applicable law. If for any reason any provision of this Agreement is held to be invalid or unenforceable to any extent, then (a) the provision will be interpreted, construed, or reformed to the extent reasonably required to render the provision valid, enforceable, and consistent with the original intent underlying such provision; (b) the provision will remain in effect to the extent that it is not invalid or unenforceable; and (c) the invalidity or unenforceability of the provision will not affect any other portion of this Agreement.

6. **Agreement to Perform Necessary Acts**

Assignee agrees to perform any further acts and execute and deliver any documents that may be reasonably necessary to carry out the provisions of this Agreement.

7. **Choice of Law and Venue**

The laws of the state of Washington will govern any dispute arising under or relating to this Agreement. The parties submit to the jurisdiction of the state of Washington and federal courts for or in Seattle, King County, Washington, and agree that any legal action or proceeding relating to this Agreement may be brought in such courts.

8. **Assignment**
