INTELLECTUAL PROPERTY ASSIGNMENT

This INTELLECTUAL PROPERTY ASSIGNMENT (this "Assignment"), dated as of 12:02 a.m. Eastern Daylight Time on March 30, 2015 ("Assignment Effective Date"), is made by and between Hawthorne Hydroponics LLC, a Delaware limited liability company having offices at c/o The Hawthorne Gardening Company, 800 Port Washington Blvd., Port Washington, New York 11050 ("Assignor"), and HGCI, Inc., a Nevada corporation having offices at 3993 Howard Hughes Parkway, Las Vegas, Nevada 89169 ("Assignee").

WHEREAS, Assignor owns all right, title and interest in and to the Assigned Intellectual Property (defined below); and

WHEREAS, Assignee is desirous of acquiring Assignor's entire right, title and interest in and to the Assigned Intellectual Property.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties agree as follows:

1. Definitions. Capitalized terms used but not defined herein shall have the meanings given to them in the Asset Purchase Agreement or the Asset Acquisition Agreement (as such terms are defined below), as applicable. The following terms shall have the following meanings.

"Asset Acquisition Agreement" means that certain Asset Acquisition Agreement and Plan of Reorganization dated March 30, 2015, by and among Bio-Organic Solutions, Inc., a California corporation, and Assignor and, for the express purposes set forth therein, Ross Haley, Kristina Haley, David Brooke and Ian Brooke, together with the exhibits and schedules thereto.

"Asset Purchase Agreement" means that certain Asset Purchase Agreement dated February 11, 2015, by and among General Hydroponics, Inc., a California corporation, Assignor and, for the express purposes set forth therein, Lawrence L. Brooke and The Lawrence Brooke Revocable Living Trust, a Florida trust, and The Scotts Miracle-Gro Company, together with the exhibits and schedules thereto.

"Assigned Intellectual Property" means the General Hydro Purchased Intellectual Property and the Vermicrop Acquired Intellectual Property.

"General Hydro Intellectual Property" shall have the meaning set forth in the Asset Acquisition Agreement and includes all intellectual property of any kind, worldwide, including (a) trademarks, service marks, trade names, brand names, corporate names, logos, trade dress, domain names registered by any authorized private registrar or Governmental Authority, web addresses, social media user names, identifiers and accounts, or other source identifiers or indicia of goods or services, whether registered or unregistered, and all registrations and applications for registration of such, including intent-to-use applications, all issuances, extensions and renewals of such registrations and applications and the goodwill connected with the use of and symbolized by any of the foregoing; (b) original works of authorship in any medium of expression, whether or not published, including without limitation all product literature, web pages, and related content, all copyrights (whether registered or unregistered), all registrations and applications for

registration of such copyrights, and all issuances, extensions, restorations, reversions and renewals of such registrations and applications; (c) Confidential Information and Records (as those terms are defined in the Asset Acquisition Agreement); (d) patented and patentable designs and inventions, all design, plant and utility patents, letters patent, utility models, pending patent applications, provisional applications, and all issuances, divisions, continuations, continuations-in-part, reissues, extensions, reexaminations, inter partes review proceedings, post-grant review proceedings, and renewals of such patents and applications; (e) Software (as that term is defined in the Asset Acquisition Agreement); and (f) all rights to sue and recover and retain damages, costs and attorneys' fees for past, present and future infringement and any other rights relating to any of the foregoing.

"General Hydro Purchased Intellectual Property" shall mean the Intellectual Property within the definition of "Purchased Intellectual Property" in the Asset Purchase Agreement. The Purchased Intellectual Property includes, but is not limited to, the items listed on Schedule 1 attached hereto.

"Vermicrop Acquired Intellectual Property" shall mean the Intellectual Property within the definition of "Acquired Intellectual Property" in the Asset Acquisition Agreement. The Acquired Intellectual Property includes, but is not limited to, the items listed on Schedule 2 attached hereto.

"Vermicrop Intellectual Property" shall have the meaning set forth in the Asset Acquisition Agreement and includes all intellectual property of any kind, worldwide, including (a) trademarks, service marks, trade names, brand names, corporate names, logos, trade dress, domain names registered by any authorized private registrar or Governmental Authority, web addresses, social media user names, identifiers and accounts, or other source identifiers or indicia of goods or services, whether registered or unregistered, and all registrations and applications for registration of such, including intent-to-use applications, all issuances, extensions and renewals of such registrations and applications and the goodwill connected with the use of and symbolized by any of the foregoing; (b) original works of authorship in any medium of expression, whether or not published, including without limitation all product literature, web pages, and related content, all copyrights (whether registered or unregistered), all registrations and applications for registration of such copyrights, and all issuances, extensions, restorations, reversions and renewals of such registrations and applications; (c) Confidential Information and Records (as those terms are defined in the Asset Acquisition Agreement); (d) patented and patentable designs and inventions, all design, plant and utility patents, letters patent, utility models, pending patent applications, provisional applications, and all issuances, divisions, continuations, continuations-in-part, reissues, extensions, reexaminations, inter partes review proceedings, post-grant review proceedings, and renewals of such patents and applications; (e) Software (as that term is defined in the Asset Acquisition Agreement); and (f) all rights to sue and recover and retain damages, costs and attorneys' fees for past, present and future infringement and any other rights relating to any of the foregoing.

2. Assignment. Effective as of the Assignment Effective Date, Assignor does hereby assign, transfer and set over to Assignee, its successors and assigns, Assignor's entire right, title and interest in and to the Assigned Intellectual Property. The foregoing assignment of Assigned Intellectual Property includes all rights to sue and recover and retain damages, costs and

attorneys' fees for past, present and future infringement and misappropriation and any other rights relating to any of the foregoing.

3. **Authority.** Assignor hereby covenants that it has the full right to convey the entire interest herein assigned, and that it has not executed, and will not execute, any agreement in conflict with this Assignment.

4. **Further Assurances and Covenants.**

- (a) Assignor hereby agrees to execute without further consideration any further documents and instruments which may be necessary, lawful and proper to secure to Assignee its interest and title in the aforementioned Assigned Intellectual Property.
- (b) Assignor hereby agrees to execute without further consideration any further documents and instruments which may be necessary, lawful and proper in the prosecution of the Assigned Intellectual Property or in the preparation or prosecution of any continuation, continuation-in-part, divisional, substitute, renewal, or reissue applications, or any trademark or copyright applications or registrations, or in any amendments, extensions, interference, reexamination, inter partes review, post grant review, or opposition proceedings, or other applications for patents, trademarks or copyrights of any region or country, or that may be necessary to prosecute, protect, or perfect the aforementioned Assigned Intellectual Property.
- (c) Assignor hereby further covenants and agrees that it will communicate to Assignee any and all facts known to it respecting said Assigned Intellectual Property, and testify in any legal proceeding, sign all lawful papers, execute and deliver all papers and take an actions that may be necessary or desirable to perfect the title to any of the Assigned Intellectual Property.

5. **Registrations.** Assignor does hereby authorize and request the Director of the United States Patent and Trademark Office, the Director of the United States Copyright Office, and directors of equivalent foreign intellectual property offices, to issue any and all letters patent, trademark registrations, copyright registrations, or similar rights which may be granted upon said Assigned Intellectual Property, or upon any improvements thereto, or any parts thereof, when granted, to said Assignee.

6. **Conflict.** This Assignment is subject to all of the terms and conditions of the Asset Acquisition Agreement. No provision of this Assignment shall be deemed to enlarge, alter or amend the terms or provisions of the Asset Acquisition Agreement.

7. **Federal Income Tax Treatment.** Assignor is disregarded as an entity separate from SMG Growing Media, Inc. ("SMGGM"), the sole owner of Assignor. Assignor and Assignee will treat this Assignment for federal income tax purposes as a contribution of property by

SMGGM to Assignee under Sections 351 and 368(a)(2)(C) of the Internal Revenue Code of 1986, as amended.

8. Counterparts. This Assignment may be executed in several counterparts, each of which shall be deemed an original, but such counterparts shall together constitute but one and the same Assignment. The exchange of copies of this Assignment and of signature pages by facsimile or portable document format (.pdf) transmission shall constitute effective execution and delivery of this Assignment as to the parties and may be used in lieu of the original Assignment for all purposes. Signatures of the parties transmitted by facsimile or portable document format (.pdf) shall be deemed to be their original signatures for all purposes.
