- (i) each United States patent and patent application, including each U.S. patent and patent application referred to on Schedule A hereto;
- (ii) each United States trademark, trademark registration and trademark application, and all of the goodwill of the business connected with the use of, and symbolized by, each trademark, trademark registration and trademark application, including each U.S. trademark, trademark registration and trademark application referred to in Schedule B hereto; and
- (iii) all products and proceeds of the foregoing, including any claim by the Grantor against third parties for past, present or future infringement of any Patent, or past, present or future infringement or dilution of any Trademark, including any Patent or Trademark listed on Schedule A or B hereto, or for injury to the goodwill associated with any Trademark;
