Dear Joe,

As discussed, it is come to our attention that the trademark assignment made by Universal Protection Service, LP, a California limited partnership formerly known as Universal Security Solutions (the "Company"), to Comerica Bank (the "Bank") and described in *Exhibit A* was never terminated or reassigned.

By countersigning this letter, the Bank acknowledges and agrees that (a) any and all security interests, mortgages, liens, charges or pledges of any kind, nature or description (collectively, an "Encumbrance") previously held by, or granted to, the Bank with respect to the trademark referenced in *Exhibit A* have been discharged, terminated and released and (b) the Company (or its designee) and its counsel (or such designee's counsel) is authorized to file with the United States Patent and Trademark Office on behalf of the Bank (at the Company's sole cost and expense) a release of security interest and any and all other documents required to evidence the discharge, termination and release of any such Encumbrance.

We sincerely appreciate your prompt attention to this matter.

Best regards,

Scott Savoie

GRANT OF SECURITY INTEREST IN TRADEMARKS

FOR VALUABLE CONSIDERATION, the receipt and adequacy of which is acknowledged, UNIVERSAL SECURITY SOLUTIONS, a California general partnership ("Grantor"), grants to COMERICA BANK, a Michigan banking corporation, as agent for the Banks (in such capacity, "Agent") and the financial institutions (the "Banks") that are parties to the Credit Agreement dated December 22, 2006 ("Credit Agreement"), made among the Banks, Grantor, and Agent, a security interest and all of Grantor's right, title and interest in and to the following whether existing now or later or on which Grantor now has or later acquires an interest, and wherever the same may be located ("Trademark Collateral"):

1. All rights, title and interest (including rights acquired pursuant to a license or otherwise, but only to the extent permitted by the agreements governing such license or other use and without resulting in the abandonment, invalidation or unenforceability of any right, title or interest of Grantor therein) in and to the following trademarks (collectively, the "Trademarks") described on Exhibit "A".
2. All proceeds, products, rents and profits of or from any and all the foregoing Trademark Collateral and, to the extent not otherwise included, all payments under insurance (whether or not Agent and Banks are the loss payee), or any indemnity, warranty or guaranty, payable by reason of loss or damage to or otherwise in respect of any of the foregoing Trademark Collateral. For these purposes, the term "Proceeds" includes whatever is received or receivable when any Trademark Collateral or other proceeds are sold, exchanged, collected or otherwise disposed of, whether such disposition is voluntary or involuntary.

Grantor has granted the security interest under this instrument pursuant to the terms of a Security Agreement of even date herewith ("Security Agreement") made by Grantor to Agent for the purposes of security as provided in the Security Agreement. Grantor acknowledges and affirms that the rights, privileges and remedies of Agent for and on behalf of the Banks with respect to the security interest in the Trademark Collateral granted in this instrument are more fully set forth in the Security Agreement, the terms and provisions of which are incorporated in this instrument by this reference.

Grantor has executed and delivered this Grant of Security Interest in Trademarks as of December 22, 2006.
