## RELEASE OF SECURITY INTEREST IN INTELLECTUAL PROPERTY

THIS RELEASE OF SECURITY INTEREST IN INTELLECTUAL PROPERTY (the "Release") is made as of the 12th day of May, between ATRENTA, INC., a Delaware corporation ("Assignee") and HERCULES TECHNOLOGY GROWTH CAPITAL, INC. (the "Assignor").

WHEREAS, in connection with certain loan documents, Assignee and Assignor entered into certain loan and security agreements (as amended, supplemented, or otherwise modified from time to time, the "Agreements") for the purpose of securing certain obligations of Assignee to Assignor;

WHEREAS, pursuant to the Agreements, Assignee granted the Assignor, for the benefit of the Assignor, a security interest in all of the Trademarks, Trademarks, and Copyrights (as defined in the Agreements) (collectively hereinafter the "Intellectual Property"), including the two remaining Trademarks identified on Exhibits A, attached hereto, and pledged and mortgaged (but did not transfer title to) the said Intellectual Property in those two specified Trademarks to Assignor; and:

WHEREAS, all of the indebtedness and other obligations secured by the Assignor's security interest in the Intellectual Property have been repaid in their entirety, and the Assignor is therefore obligated to release its security interest in the remaining Intellectual Property.

NOW, THEREFORE, for valuable consideration and pursuant to the terms and conditions set forth in the Agreements:

The Assignor hereby terminates and releases its security interest in the Intellectual Property, including without limitation, Trademarks identified on Exhibits A attached hereto.

Assignor hereby agrees to execute such further instruments and documents and perform such further acts as Assignee may deem necessary to secure to Assignee the rights herein conveyed.

IN WITNESS WHEREOF, the Assignor has caused this Release to be executed as of the day and year first above written.

HERCULES TECHNOLOGY GROWTH CAPITAL, INC.
