Assignment of Intellectual Property

This Assignment of Intellectual Property (the "Assignment") is made and entered into as of May 15, 2015 (the "Effective Date") by and between Linvatec Canada ULC, an unlimited liability company incorporated under the laws of Nova Scotia having a place of business at 2330 Millrace Court, Unit 5, Mississauga, Ontario, L5N 1W2 ("Assignor"), and CONMED Corporation, a New York corporation having a place of business at 525 French Road, Utica, New York 13502 ("Assignee").

WHEREAS, Assignor is the owner of the entire right, title and interest in and to the trademarks set forth on Schedule A attached hereto (the "Trademarks") and the patents and patent applications set forth on Schedule B attached hereto (the "Patents and Patent Applications") (the Trademarks and the Patents and Patent Applications are referred to collectively as the "Assigned IP"); and

WHEREAS, Assignor and Assignee desire that Assignee acquire all of Assignor's right, title and interest in and to the Assigned IP.

NOW, THEREFORE, in consideration of the premises set forth herein and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto, intending legally to be bound, hereby agree as follows:

1. Assignor does hereby grant, bargain, sell, transfer, convey, assign, alienate, remise, release and deliver to Assignee and its successors, assigns and legal representatives, and Assignee does hereby accept, all of Assignor's right, title and interest in, to and under all of the Trademarks, and the entire business and/or portion thereof to which the Trademarks pertain, and the right to sue and recover for all past, present and future infringements and other violations of the Trademarks, the same to be held and enjoyed by Assignee, its successors, assigns and legal representatives to the same extent that such would have been held and enjoyed by Assignor had this assignment not been made. For the avoidance of doubt, the goodwill associated with, and symbolized by, the Trademarks is not being assigned to Assignee and shall continue to be owned by Assignor.

2. Assignor hereby sells, assigns, and transfers unto Assignee, and to its successors, assigns, and legal representatives, its entire right, title, and interest, in and throughout the United States of America (including its territories and dependencies) and all countries foreign thereto, in and to and under the Patents and Patent Applications (which term shall include hereinafter where the context so admits all divisional, continuing, reissue and other patent applications based thereon) and the inventions (which term shall include each and every such invention, or any part thereof) therein described, and the designs relating thereto, and any and all patents and like rights of exclusion (including extensions thereof) of any country which may be granted on or for said inventions or designs or on said Patents and Patent Applications.

3. The aggregate purchase price for the Assigned IP shall be \$64,344USD, which shall be paid by Assignee to Assignor on the Effective Date.

4. The provisions of this Assignment contain the entire agreement between the parties, and they supersede all prior agreements with respect to the subject matter of this Assignment. This Assignment may not be changed or modified in any manner, and the observance of any provision of this Assignment may not be waived, except by an instrument in writing signed by the parties.

5. The provisions hereof shall inure to the benefit of and be binding upon Assignee and Assignor, and the successors, assigns and legal representatives of Assignee and Assignor.

6. This Assignment shall be governed by and construed and enforced with the laws of the State of New York without regard to any conflict of laws principles.

7. This Assignment may be executed in any number of counterparts, all of which taken together shall constitute the Assignment.
