(the "Assignee")

WHEREAS, the Assignor is the sole and rightful owner of certain trademarks and/or service marks and the corresponding registrations and/or applications for registration (collectively referred to as the Trademarks) set forth in **Exhibit A** attached hereto; and

WHEREAS, the Assignee desires to purchase or acquire the Assignor's right, title, and interest in and to the Trademarks; and

WHEREAS, the Assignor and Assignee are both duly authorized and capable of entering into this Assignment.

NOW, THEREFORE, for valuable consideration, the receipt of which is acknowledged, the parties hereto agree as follows:

1. ASSIGNMENT.

The Assignor does hereby sell, assign, transfer and set over to Assignee all of its right, title, and interest in and to the Trademarks in the United States and all jurisdictions outside the United States including, without limitation, the ongoing and existing portion of the Assignor's business associated with the Trademarks, together with the goodwill of the business connected with and symbolized by the Trademarks (including, without limitation, the right to sue and recover for any past or continuing infringements or contract breaches related to the Trademarks, the right to renew any registrations included in the Trademarks, the right to apply for trademark registrations within or outside the United States based in whole or in part upon the Trademarks, and any priority right that may arise from the Trademarks), the same to be held and enjoyed by Assignee as fully and entirely as said interest could have been held and enjoyed by Assignor had this sale, assignment, transfer and conveyance not been made.

The Assignor authorizes the United States Patent and Trademark Office and any other applicable jurisdictions outside the United States to record the transfer of the registrations and/or registration applications set forth in Exhibit A to Assignee as recipient of Assignors entire right, title and interest therein.

Assignor further agrees to upon the request and at the expense of Assignee: (a) cooperate with Assignee in the protection of the trademark rights and prosecution and protection of foreign counterparts; (b) execute, verify, acknowledge and deliver all such further papers, including registration applications and instruments of transfer; and (c) perform such other acts as Assignee lawfully may request to obtain or maintain the Trademarks and any and all applications and registrations for the Trademarks.

2. WARRANTY.
