TRADEMARK SECURITY AGREEMENT

This TRADEMARK SECURITY AGREEMENT (this "Trademark Security Agreement") is made this 10th day of June, 2015, EDMUNDS.COM, INC., a New York corporation ("Debtor"), and WELLS FARGO BANK, NATIONAL ASSOCIATION ("Bank").

WITNESSETH:

WHEREAS, pursuant to that certain Credit Agreement dated as of March 28, 2014 (as amended from time to time, the "Credit Agreement") among Debtor, EDMUNDS HOLDING COMPANY, a Delaware corporation ("EHC"), and Bank, Bank agreed to make certain financial accommodations available to Debtor and EHC pursuant to the terms and conditions thereof;

WHEREAS, Bank agreed to make the financial accommodations to Debtor and EHC as provided for in the Credit Agreement, but only upon the condition, among others, that Debtor shall have executed and delivered to Bank that certain Security Agreement dated as of March 28, 2014 (including all annexes, exhibits or schedules thereto, as from time to time amended, the "Security Agreement");

WHEREAS, pursuant to the Security Agreement, Debtor is required to execute and deliver to Bank this Trademark Security Agreement; and

NOW, THEREFORE, in consideration of the premises and mutual covenants herein contained and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Debtor hereby agrees as follows:

1. DEFINED TERMS. All capitalized terms used but not otherwise defined herein have the meanings given to them in the Security Agreement or the Credit Agreement.

2. GRANT OF SECURITY INTEREST IN TRADEMARK COLLATERAL. Debtor hereby grants to Bank a continuing first priority security interest in all of Debtor's right, title and interest in, to and under the following, whether presently existing or hereafter created or acquired (collectively, the "Trademark Collateral"):

(a) all of its Trademarks and Trademark Intellectual Property Licenses to which it is a party including those United States registered Trademarks and applications therefor referred to on Schedule I hereto (as the same may be amended, modified or supplemented from time to time);

(b) all goodwill, trade secrets, proprietary or confidential information, technical information, procedures, formulae, quality control standards, designs, operating and training manuals, customer lists, and other general intangibles with respect to the foregoing;

(c) all reissues, continuations or extensions of the foregoing;

(d) all goodwill of the business connected with the use of, and symbolized by, each Trademark and each Trademark Intellectual Property License; and

(e) all products and proceeds of the foregoing, including any claim by Debtor against third parties for past, present or future (i) infringement or dilution of any Trademark or any Trademark licensed under any Intellectual Property License or (ii) injury to the goodwill

associated with any Trademark or any Trademark licensed under any Intellectual Property License.

Notwithstanding anything herein to the contrary, in no event shall the Collateral include, and Debtor shall not be deemed to have granted a security interest in, any of Debtor's rights or interests in or under, (i) intent-to-use Trademark applications, or (ii) any license, contract, permit, instrument, security or franchise or any of its rights or interests thereunder to the extent, but only to the extent, that such a grant would, under the terms of such license, contract, permit, instrument, security or franchise, result in a breach of the terms of, or constitute a default under, such license, contract, permit, instrument, security or franchise (other than to the extent that any such term would be rendered ineffective pursuant to the UCC or any other applicable law (including the Bankruptcy Code) or principles of equity); provided that immediately upon the ineffectiveness, lapse or termination of any such provision the Collateral shall include, and Debtor shall be deemed to have granted a security interest in, all such rights and interests as if such provision had never been in effect.

3. SECURITY FOR OBLIGATIONS. This Trademark Security Agreement and the security interest created hereby secures the payment and performance of all the Secured Obligations, whether now existing or arising hereafter. Without limiting the generality of the foregoing, this Trademark Security Agreement secures the payment of all amounts which constitute part of the Secured Obligations and would be owed by Debtor and EHC, or any of them, to Bank, whether or not they are unenforceable or not allowable due to the existence of an insolvency proceeding involving Debtor and EHC, or any of them.

4. SECURITY AGREEMENT. The security interests granted pursuant to this Trademark Security Agreement are granted in conjunction with the security interests granted to Bank pursuant to the Security Agreement. Debtor hereby acknowledges and affirms that the rights and remedies of Bank with respect to the security interest in the Trademark Collateral made and granted hereby are more fully set forth in the Security Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein.

5. AUTHORIZATION TO SUPPLEMENT. If Debtor shall obtain rights to any new trademarks, the provisions of this Trademark Security Agreement shall automatically apply thereto. Debtor shall give prompt notice in writing to Bank with respect to any such new trademarks or renewal or extension of any trademark registration. Without limiting Debtor's obligations under this Section 5, Debtor hereby authorizes Bank unilaterally to modify this Agreement by amending Schedule I to include any such new trademark rights of Debtor. Notwithstanding the foregoing, no failure to so modify this Trademark Security Agreement or amend Schedule I shall in any way affect, invalidate or detract from Agent's continuing security interest in all Collateral, whether or not listed on Schedule I.

{Signature Page Follows}

IN WITNESS WHEREOF, this Trademark Security Agreement has been duly executed
as of June 10, 2015.
