GRANT OF  
SECURITY INTEREST IN TRADEMARK COLLATERAL

This GRANT OF SECURITY INTEREST IN TRADEMARK COLLATERAL (“Agreement”), effective as of June 17, 2015 is made by Carmike Cinemas, Inc., a Delaware corporation, (the “Borrower”), in favor of Wells Fargo Bank, National Association, as Collateral Trustee (the “Collateral Trustee”) for the Secured Parties, parties to the Credit Agreement, dated as of June 17, 2015, among the Borrower, the Lenders, and JPMorgan Chase, National Association as Administrative Agent and Syndication Agent (as amended, restated, supplemented or otherwise modified from time to time, the “Credit Agreement”).

W I T N E S S E T H:

WHEREAS, pursuant to the Credit Agreement, the Lenders have severally agreed to make Loans and other extensions of credit to the Borrower upon the terms and subject to the conditions set forth therein; and

WHEREAS, in connection with the Credit Agreement, the Borrower has executed and delivered a First Lien Guarantee and Collateral Agreement, dated as of June 17, 2015, in favor of the Collateral Trustee (together with all amendments and modifications, if any, from time to time thereafter made thereto, the “Guarantee and Collateral Agreement”);

WHEREAS, pursuant to the Guarantee and Collateral Agreement, the Borrower pledged and granted to the Collateral Trustee for the benefit of the Secured Parties a continuing security interest in all Intellectual Property, including the Trademarks; and

WHEREAS, the Borrower has duly authorized the execution, delivery and performance of this Agreement;

NOW THEREFORE, in consideration of the premises and to induce the Collateral Trustee and the Lenders to enter into the Credit Agreement and to induce the Lenders to make their respective extensions of credit to the Borrower thereunder, and for other good and valuable consideration, the receipt of which is hereby acknowledged, the Borrower agrees, with the Collateral Trustee, for the benefit of the Secured Parties, as follows:

SECTION 1. Definitions. Unless otherwise defined herein or the context otherwise requires, terms used in this Agreement, including its preamble and recitals, have the meanings provided or provided by reference in the Credit Agreement and the Guarantee and Collateral Agreement.

SECTION 2. Grant of Security Interest. The Borrower hereby assigns and transfers to the Collateral Trustee, and hereby grants to the Collateral Trustee, for the ratable benefit of the Secured Parties, a security interest in all of the following property now owned or at any time hereafter acquired by the Borrower or in which the Borrower now has or at any time in the future may acquire any right, title or interest, as collateral security for the prompt and complete payment and performance when due (whether at stated maturity, by acceleration or otherwise) of the Borrower’s Obligations (the “Trademark Collateral”):

(a) all trademarks, trade names, corporate names, company names, business names, fictitious business names, trade styles, trade dress, domain names, service marks, logos and other source or business identifiers, and all goodwill associated therewith, now existing or

hereafter adopted or acquired, all registrations and recordings thereof, all applications in connection therewith, and all common-law rights related thereto, including, without limitation, any of the foregoing referred to in Schedule A,

(b) the right to obtain all renewals thereof;

(c) all rights to sue at law or in equity for any past, present and future infringement or other impairment thereof, including the right to receive all proceeds and damages therefrom;

provided, that, notwithstanding anything to the contrary in this Agreement, this Agreement shall not constitute a grant of a security interest in (and the Trademark Collateral shall not include) any intent-to-use trademark application prior to the filing of an amendment to allege use or a statement of use with respect thereto, to the extent and for so long as creation by the Borrower of a security interest therein would result in the loss by the Borrower of any material rights therein, provided that upon the filing of an amendment to allege use or a statement of use for any such intent-to-use trademark application, such application will become part of the Trademark Collateral and this Agreement shall constitute a grant of a security interest therein.

SECTION 3. Purpose. This Agreement has been executed and delivered by the Borrower for the purpose of recording the grant of security interest herein with the United States Patent and Trademark Office. The security interest granted hereby has been granted to the Collateral Trustee for the benefit of the Secured Parties in connection with the Guarantee and Collateral Agreement and is expressly subject to the terms and conditions thereof. The Guarantee and Collateral Agreement (and all rights and remedies of the Collateral Trustee and each other Secured Party) shall remain in full force and effect in accordance with its terms.

SECTION 4. Acknowledgment. The Borrower does hereby further acknowledge and affirm that the rights, privileges, protections, immunities and remedies of the Collateral Trustee with respect to the security interest in the Collateral granted hereby are more fully set forth in the Collateral Trust Agreement and the Guarantee and Collateral Agreement, the terms and provisions of which (including the remedies provided for therein) are incorporated by reference herein as if fully set forth herein. In the event of any conflict between the terms of this Agreement and the terms of the Guarantee and Collateral Agreement, the terms of the Guarantee and Collateral Agreement shall govern.

SECTION 5. Counterparts. This Agreement may be executed in counterparts, each of which will be deemed an original, but all of which together constitute one and the same original.

IN WITNESS WHEREOF, the parties hereto have caused this Agreement to be duly executed and delivered by their respective officers thereunto duly authorized as of the day and year first above written.
