CORRECTIVE ASSIGNMENT

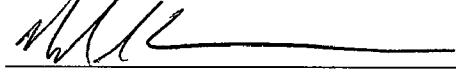

This Corrective Assignment is being filed to correct the Assignment that was recorded on November 28, 2011 and effective on November 3, 2011 between Bond Laboratories, Inc., a Nevada corporation with its principal place of business at 11011 Q Street, Suite 106A, Omaha, Nebraska 68137 ("Assignor") and Cervejaria Petrópolis S.A., a Brazilian corporation with its principal place of business at Avenue Nilo Peçanha, N°50, Sala 2201, Centro, Rio de Janeiro, RJ, BRAZIL, 20020-906 ("Assignee") (the "Prior Assignment"). At the time the Prior Agreement was signed, Assignor assigned the entire interest, including the goodwill of the business, in the mark FUSION, bearing U.S. Trademark Registration No. 3788757, to Assignee. However, the Prior Assignment inadvertently omitted the specific language "goodwill of the business."

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, and in order to correct the Prior Assignment, Assignor hereby assigns, transfers and conveys to Assignee, on a worldwide basis, all right, title, interest, including the goodwill of the business, in and to Registration No. 3788757 for the mark FUSION in International Class 32 for "non-alcoholic beverage ingredients, namely, effervescent powder to be dissolved in liquid to produce an energy drink and hypertonic drink" (and all renewals and extensions thereof). This Assignment is made pursuant to the terms of the Trademark Rights Purchase Agreement dated November 3, 2011.

IN WITNESS WHEREOF, Assignor and Assignee agree that by executing this Assignment, the Prior Assignment will be corrected. Assignor and Assignee further agree that the effective date of this Assignment, pursuant to the Trademark Rights Purchase Agreement, is November 3, 2011.
