## Exhibit G

### Trademark Assignment

This Trademark Assignment (this “**Trademark Assignment**”), dated as of April 17, 2015 (the “**Effective Date**”), is made by and between YottaMark, Inc., a Delaware corporation (“**Assignor**”), and Trimble Navigation Limited, a California corporation (“**Trimble**”).

WHEREAS, Assignor is the owner of the trademarks and trademark applications described on **Schedule 1** hereto (the “**Trademarks**”); and

WHEREAS, pursuant to the terms of that certain Asset Purchase Agreement, dated as of April 17, 2015, by and among Trimble, Assignor and Shareholder Representative Services LLC, a Colorado limited liability company (the “**Purchase Agreement**”), Assignor has agreed to assign to Trimble all of Assignor’s right, title, and interest in and to the Trademarks (and the portion of the business of Assignor to which the Trademarks pertain), together with the goodwill associated therewith.

NOW THEREFORE, for the consideration set forth in the Purchase Agreement and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties agree as follows:

1. In connection with the transfer of the portion of the business to which the Trademarks pertain, Assignor hereby sells, transfers, conveys, assigns, and sets over unto Trimble, and its successors and assigns, Assignor’s entire right, title and interest in and to the Trademarks, including, without limitation, all registrations and applications therefor and the right to apply for and register the Trademarks, in the United States of America and all foreign countries, together with the goodwill of Assignor’s business in which the Trademarks are used and symbolized by the Trademarks, all common law and statutory rights related thereto, all rights of renewal and extension, and the right to sue and recover for damages and profits for past infringements thereof.

2. This Trademark Assignment and all disputes and controversies arising hereunder shall be governed by and construed in accordance with the Laws of the State of Delaware without reference to such state’s principles of conflicts of law. Each of the parties hereto irrevocably consents to the exclusive jurisdiction of and venue in any state or federal court located in the Northern District of California, in connection with any matter based upon or arising out of this Trademark Assignment or the matters contemplated herein, and agrees that process may be served upon them in any manner authorized by the Laws of the State of California for such persons. Each of the parties hereto irrevocably waives any right to, and irrevocably covenants not to, assert or plead any objection which such party might otherwise have to such jurisdiction and venue and such process; *provided, however*, that any party hereto shall be entitled to seek equitable or injunctive relief in connection with any matter based upon or arising out of this Trademark Assignment or the matters contemplated herein in any forum having proper legal jurisdiction over such matter.

3. This Trademark Assignment shall inure to the benefit of and be binding upon Trimble and Assignor and their respective successors and assigns. This Trademark Assignment may be executed in one or more counterparts, all of which shall be considered one and the same agreement and shall become effective when one or more counterparts have been signed by each of the Parties and delivered to the other Parties, it being understood that all Parties need not sign the same counterpart. Any such signature page shall be effective as a counterpart signature page hereto without regard to page, document or version numbers or other identifying information thereon, which are for convenience of reference only. This Trademark Assignment may be executed by facsimile or .PDF signature, and a facsimile or .PDF signature will constitute an original signature for all purposes.
