ASSIGNMENT OF TRADEMARK RIGHTS

WHEREAS, Field Logic, Inc., a Minnesota company (“Assignor”), is the owner of the trademark RAVIN (the “Trademark”), including the application pending before the United States Patent and Trademark Office (“PTO”) for the Trademark, which is identified as Serial No. 86/086,823 (the “Application”); and

WHEREAS, Ravin Crossbows, LLC, a Wisconsin limited liability company (“Assignee”), is desirous of acquiring from Assignor the entire right, title and interest in and to the Trademark, together with the Application once an Allegation of Use for the Application has been accepted by the PTO, as well as all related common law rights and accompanying goodwill pertaining thereto, and Assignor is willing to assign the same to Assignee.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Assignor hereby sells, assigns and transfers to Assignee, the entire right, title, and interest in and to the Trademark in all countries and territories throughout the world, including the Application once the Allegation of Use for such application has been accepted by the PTO, all related common law rights and the goodwill pertaining thereto, together with all claims, demands and causes of action for the past infringement of the Trademark or for unfair competition in business in connection therewith, the same to be held and enjoyed by Assignee, its successors, assigns or other legal representatives as fully and entirely as the same would or could have been held and enjoyed by Assignor had this Assignment not been made. Assignor agrees to file an Allegation of Use with the PTO to support the Application promptly upon first using the Trademark in commerce.

Assignor hereby grants to Assignee an exclusive (even as to Assignor), fully paid, worldwide license to use and sublicense the Trademark for any purpose from the date that this

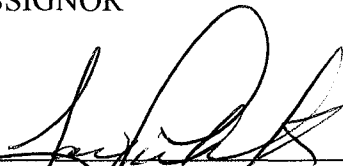

Agreement is fully executed until the date that the assignment provided herein becomes effective and Assignee accepts this license. During the license period provided in the preceding sentence, Assignee agrees to follow good trademark practice and to maintain appropriate quality control measures with respect to all use of the Trademark and to require the same of all sublicensees.

Assignor warrants, covenants and represents that (a) it is the owner of the Trademark, the application filed therefor with the PTO, related common law rights and associated goodwill, (b) it has the full right to convey the entire interest hereby assigned and to grant the license provided herein, (c) it has not and will not license, assign or otherwise transfer any of the rights hereby assigned to any third party, and (d) there are no actual or threatened claims, actions or proceedings against the Trademark or the Application.

Assignor will, without additional consideration, take such further actions and execute promptly such further documents as are necessary or desirable to transfer, vest, record and perfect good, valid and marketable title to the Trademark in Assignee. Assignor hereby authorizes Assignee to request that the applicable governmental entity or entities record Assignee as the owner of the Trademark.

IN WITNESS WHEREOF, the parties hereto have caused this Agreement to be duly executed and delivered by their duly authorized officers as of February 25, 2015.
