TRADEMARK ASSIGNMENT AGREEMENT

This Trademark Assignment ("Assignment") has an effective date as of January 31, 2014, nunc pro tunc, in connection with the execution of the Asset Purchase Agreement by and between Astellas Pharma US, Inc., a Delaware corporation with offices at 1 Astellas Way, Northbrook, IL 60062 (the "Seller") and Cumberland Pharmaceuticals Inc., a Tennessee corporation with offices at 2525 West End Avenue, Suite 950, Nashville, Tennessee, 37203, USA (the "Assignee"). Assignor and Assignee are sometimes referred to collectively herein as the "Parties" and individually as a "Party".

WHEREAS, Seller and Assignee executed the Asset Purchase Agreement, effective January 31, 2014, which requires conveyance to Assignee of all trademarks related to the Vaprisol product and owned by Seller or its affiliates, including Astellas Pharma Inc., a Japan corporation with offices at 5-1, Nihonbashi-Honcho 2-chome, Chuo-Ku, Tokyo 103-8411, Japan (the "Assignor");

WHEREAS, Assignor wishes to transfer to Assignee all right, title and interest that it has in and to the trademark (Vaprisol Globe design), registered with the U.S. Trademark Office at Registration No. 4455159 (the "Trademark" or "Registration"), together with the goodwill of the business connected with and symbolized by the Trademark; and

WHEREAS, Assignee desires to acquire all right, title and interest in and to the Trademark.

NOW THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are acknowledged, the parties hereby agree as set forth below.

Assignor hereby sells, assigns, transfers and conveys, nunc pro tunc, effective as of January 31, 2014, unto Assignee the entire right, title, and interest in and to the Trademark, together with the goodwill of the business connected with and symbolized by the Trademark (including, without limitation, the right to renew any registrations included in the Trademark, the right to apply for trademark registrations within or outside the United States based in whole or in part upon the Trademark, and any priority right that may arise from the Trademark), and the right to sue for and collect damages for infringements or other violations of the same, including for past infringements or violations, the same to be held and enjoyed by Assignee as fully and entirely as said interest could have been held and enjoyed by Assignor had this sale, assignment, transfer and conveyance not been made.

Assignor authorizes the Commissioner of Trademarks of the United States and other empowered officials of the United States Patent and Trademark Office to record the transfer of the Registration to Assignee as assignee of Assignor's entire right, title and interest therein.

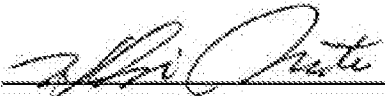

Assignor agrees to further execute any documents reasonably necessary to effect this assignment or to

confirm Assignee's ownership of the Trademark.

This Trademark Assignment Agreement may be executed by the Parties hereto in separate counterparts, each of which when so executed and delivered shall be an original, but all such counterparts taken together shall constitute one and the same instrument. Each counterpart shall be deemed delivery of an originally executed document.

IN WITNESS WHEREOF, the parties hereto have executed this Trademark Assignment Agreement as of the dates written below.
