SECOND LIEN TRADEMARK SECURITY AGREEMENT

This SECOND LIEN TRADEMARK SECURITY AGREEMENT (as amended, amended and restated, supplemented or otherwise modified from time to time, the “Trademark Security Agreement”) dated May 27, 2015, is made by the Persons listed on the signature pages hereof (collectively, the “Grantors”) in favor of Deutsche Bank AG New York Branch (“DBNY”), as Collateral Agent (the “Collateral Agent”) for the Secured Parties. Capitalized terms used herein and not otherwise defined herein shall have the meanings assigned to such terms in the Credit Agreement and the Security Agreement referred to therein.

WHEREAS, Infiltrator Systems Integrated, LLC, a Delaware limited liability company (“Newco”), as the initial borrower thereunder, whose rights and obligations will be assigned to and assumed by Infiltrator Water Technologies, LLC, a Delaware limited liability company (the “Borrower”), immediately following the consummation of the Acquisition and the Conversion, prior to the consummation of the Acquisition and Conversion, Infiltrator Systems Holdings, LLC, and immediately following the consummation of the Acquisition and Conversion, Infiltrator Water Technologies Holdings, LLC, a Delaware limited liability company (“Holdings”), DBNY, as administrative agent (in such capacity and together with its successors and permitted assigns, the “Administrative Agent”), and collateral agent (in such capacity and together with its successors and permitted assigns, the “Collateral Agent”), each Lender from time to time party thereto and the other parties party thereto have entered into the Second Lien Credit Agreement dated as of May 27, 2015 (the “Closing Date”) (as amended, amended and restated, supplemented or otherwise modified from time to time, the “Credit Agreement”), pursuant to which the Lenders have severally agreed to make Loans to the Borrower and certain of the subsidiaries of Holdings upon the terms and subject to the conditions therein.

WHEREAS, in connection with the Credit Agreement, the Grantors have entered into the Security Agreement dated as of the Closing Date (as amended, amended and restated, supplemented or otherwise modified from time to time, the “Security Agreement”) in order to induce the Lenders to make Loans.

WHEREAS, under the terms of the Security Agreement, the Grantors have granted to the Collateral Agent, for the ratable benefit of the Secured Parties, a security interest in, among other property, certain intellectual property of the Grantors, and have agreed as a condition thereof to execute this Trademark Security Agreement for recording with the United States Patent and Trademark Office.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, each Grantor agrees as follows:

SECTION 1. Grant of Security. Each Grantor hereby grants to the Collateral Agent, for the ratable benefit of the Secured Parties, a security interest in all of the following property now owned or at any time hereafter acquired by such Grantor or in which such Grantor now has or at any time in the future may acquire any right, title or interest (collectively, the “Trademark Collateral”):

- (a) the registered and applied-for Trademarks of such Grantor listed on Schedule A attached hereto; and
- (b) all Proceeds of any of the foregoing;

provided that (i) this Trademark Security Agreement shall not constitute a grant of a security interest in any property to the extent that and for as long as such property is excluded as Collateral by the terms of the Security Agreement; and (ii) the security interest granted hereby (A) shall attach at all times to all

proceeds of such property, (B) shall attach to such property immediately and automatically (without need for any further grant or act) at such time as the condition described in clause (i) ceases to exist and (C) to the extent severable, shall, in any event, attach to all rights in respect of such property that are not subject to the applicable condition described in clause (i).

SECTION 2. Security for Obligations. The grant of a security interest in the Collateral by each Grantor under this Trademark Security Agreement secures the payment of all Obligations of such Grantor now or hereafter existing, whether direct or indirect, absolute or contingent, and whether for principal, reimbursement obligations, interest, premiums, penalties, fees, indemnifications, contract causes of action, costs, expenses or otherwise. Without limiting the generality of the foregoing, this Trademark Security Agreement secures, as to each Grantor, the payment of all amounts that constitute part of the Obligations and that would be owed by such Grantor to any Secured Party but for the fact that such Obligations are unenforceable or not allowable due to the existence of a bankruptcy, reorganization or similar proceeding involving a Loan Party.

SECTION 3. Recordation. This Trademark Security Agreement has been executed and delivered by the Grantors for the purpose of recording the grant of security interest herein with the United States Patent and Trademark Office. Each Grantor authorizes and requests that the Commissioner for Trademarks record this Trademark Security Agreement.

SECTION 4. Execution in Counterparts. This Trademark Security Agreement may be executed in any number of counterparts, each of which when so executed shall be deemed to be an original and all of which taken together shall constitute one and the same agreement. Delivery of an executed signature page of this Trademark Security Agreement by facsimile transmission or electronic transmission (in PDF format) shall be effective as delivery of a manually executed counterpart hereof.

SECTION 5. Grants, Rights and Remedies. This Trademark Security Agreement has been entered into in conjunction with the provisions of the Security Agreement. Each Grantor does hereby acknowledge and confirm that the grant of the security interest hereunder to, and the rights and remedies of, the Collateral Agent with respect to the Collateral are more fully set forth in the Security Agreement, the terms and provisions of which are incorporated herein by reference as if fully set forth herein. In the event of any conflict between the terms of this Trademark Security Agreement and the terms of the Security Agreement, the terms of the Security Agreement shall govern.

SECTION 6. GOVERNING LAW. THIS TRADEMARK SECURITY AGREEMENT SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAWS OF THE STATE OF NEW YORK.

SECTION 7. Severability. In case any one or more of the provisions contained in this Trademark Security Agreement should be held invalid, illegal or unenforceable in any respect, the validity, legality and enforceability of the remaining provisions contained herein and in the Security Agreement shall not in any way be affected or impaired thereby (it being understood that the invalidity of a particular provision in a particular jurisdiction shall not in and of itself affect the validity of such provision in any other jurisdiction). The parties hereto shall endeavor in good-faith negotiations to replace the invalid, illegal or unenforceable provisions with valid provisions the economic effect of which comes as close as possible to that of the invalid, illegal or unenforceable provisions.

SECTION 8. Second Lien Intercreditor Agreement. Notwithstanding anything herein to the contrary, (i) the Liens and Security Interests granted to the Collateral Agent pursuant to this Trademark Security Agreement are expressly subordinated to those granted to the First Lien Collateral Agent to secure the First Lien Secured Obligations and (ii) the Liens and Security Interests granted to the

Collateral Agent pursuant to this Trademark Security Agreement and the rights and obligations of the parties hereunder, including without limitation the right to exercise any right or remedy of the Collateral Agent hereunder, in each case, is subject to the provisions of the Second Lien Intercreditor Agreement (and any other intercreditor agreement). In the event of any conflict between the terms of the Second Lien Intercreditor Agreement (or such other intercreditor agreement) and this Trademark Security Agreement, the terms of the Second Lien Intercreditor Agreement (or such other intercreditor agreement) shall govern and control.
