TRADEMARK SECURITY AGREEMENT

This Trademark Security Agreement (the "Agreement") is given as of June 4, 2015, by WINCO MFG., LLC, a Missouri limited liability company (the "Borrower"), to ENTERPRISE BANK & TRUST (the "Bank").

Preliminary Statement. The Borrower and the Bank entered into a Security Agreement dated as of July 30, 2010 (as amended, supplemented, restated or otherwise modified from time to time, the "Security Agreement"), pursuant to which, and subject to the terms and conditions thereof, the Borrower granted a security interest in and lien on substantially all of its assets, including but not limited to all Trademarks, all applications for, registrations of and licenses of the foregoing. Capitalized terms used and not defined herein shall have the meanings given to them in the Security Agreement. The Borrower desires to reaffirm such lien as security for all present and future obligations of the Borrower to the Bank.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the Borrower and the Bank agree as follows:

1. Grant of Security Interest. The Borrower hereby grants to the Bank a security interest in all assets and personal property of the Borrower, including but not limited to all the Borrower's right, title and interest in and to the following property, wherever located, whether such property or interest therein is now owned or existing or hereafter acquired or arising (collectively, the "Collateral"):

- (a) all trademarks, all applications for, registrations of and licenses of the foregoing listed on Schedule A attached hereto; and
- (b) goodwill associated with the foregoing; and
- (c) all substitutions, renewals, improvements and replacements of and additions thereto; and
- (c) all proceeds, including, without limitation, proceeds which constitute property of the types described in (a), (b) and/or (c) above and any rents and profits of any of the foregoing items, whether cash or non-cash, immediate or remote, including, without limitation, all income, accounts, contract rights, general intangibles, payment intangibles, chattel paper, notes, drafts, acceptances, instruments and other rights to the payment of money arising out of the sale, rental, lease, exchange or other disposition of any of the foregoing items, and all products, of (a), (b) and/or (c) above, and any indemnities, warranties and guaranties payable by reason of loss or damage to or otherwise with respect to any of the foregoing items.

2. Security Agreement. The security interest granted pursuant to this Agreement is granted in conjunction with the security interest granted to the Bank pursuant to the Security Agreement and Borrower hereby acknowledges and affirms that the rights and remedies of the Bank with respect to the security interest in the Collateral made and granted hereby are more

fully set forth in the Security Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein. In the event that any provision of this Agreement is deemed to conflict with the Security Agreement, the provisions of the Security Agreement shall control unless the Bank shall otherwise determine.

3. Termination. Upon the payment in full of the Obligations and termination of the Security Agreement, the Bank shall execute, acknowledge, and deliver to the Borrower an instrument in writing in recordable form releasing the collateral pledge, grant, assignment, lien and security interest in the Collateral under this Agreement.

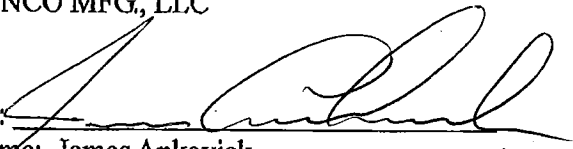

4. Governing Law. This Agreement shall be governed by and construed in accordance with the laws of the State of Missouri without giving effect to any choice of law rules thereof.

5. Counterparts. This Agreement may be executed in any number of counterparts, all of which shall constitute one and the same instrument, and any party hereto may execute this Agreement by signing and delivering one or more counterparts. A facsimile or other electronically transmitted signature of the Borrower shall be deemed an original signature.
