## TRADEMARK ASSIGNMENT AGREEMENT

This Trademark Assignment Agreement ("Assignment"), effective as of the 30th day of June, 2015, is by and between Dawson Operating LLC, a Texas limited liability company ("Assignor") and Dawson Geophysical Company, a Texas corporation ("Assignee").

WHEREAS, Assignor is the owner of all right, title and interest in and to the names and marks DAWSON & Design and DAWSON, set forth on "Exhibit A" attached hereto, the United States trademark applications and registrations therefor, together with the goodwill of the business symbolized by the marks (hereinafter, collectively "Marks");

WHEREAS, Assignor desires to assign and transfer the right, title and interest in and to the Marks identified in Exhibit A, the United States trademark applications and registrations therefore, together with the goodwill of the business symbolized by the Marks throughout the world to Assignee, and Assignee desires to acquire the same; and

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, accepted and confirmed, Assignor, does hereby irrevocably assign, transfer, grant, set over and convey unto Assignee, its successors and assigns, without reservation of any rights, title or interest, Assignor's entire worldwide and universal rights, title and interest in and to the Marks identified in Exhibit A attached hereto, the United States trademark applications and/or registrations therefor, together with the goodwill of the business symbolized by the Marks, the portion of the business to which the Marks pertain, the same to be held and enjoyed by Assignee, for its own use and enjoyment, and for the use and enjoyment of its successors, assigns, subsidiaries, affiliates or other legal representatives, as the same would have been held and enjoyed by Assignor if this assignment had not been made, including, but not limited to, all common-law rights of Assignor in and/or to the Marks owned by Assignor, and Assignor's right to sue for all claims, demands and/or causes for action, both at law and in equity, that Assignor may have on account of any infringement, claim of unfair competition, likelihood of confusion or dilution of the Marks or any other claim or cause of action related to the Marks prior to and following the effective date of this Assignment. For the sake of clarity, Assignor further assigns to Assignee the right to sue and recover damages and/or profits for claims of past infringement, unfair competition and/or dilution, if any.
