GRANT OF SECURITY INTEREST
TRADEMARKS

THIS GRANT OF SECURITY INTEREST, dated as of July 13, 2015, is executed by SYS-TECH SOLUTIONS, INC., a New Jersey corporation with an address of One Research Way, Princeton, New Jersey 08540 ("Debtor"), in favor of HORIZON TECHNOLOGY FINANCE CORPORATION, a Delaware corporation with an address of 312 Farmington Avenue, Farmington, Connecticut 06032 ("Secured Party").

A. Pursuant to a certain Amended and Restated Venture Loan and Security Agreement, Amended and Restated as of October 24, 2014 (the "Agreement") by and between Debtor, Secured Party and Horizon Funding Trust 2013-1, the Secured Party has agreed to extend certain credit facilities to Debtor upon the terms and subject to the conditions set forth therein;

B. Debtor previously granted Secured Party a security interest in certain of its trademarks and trademark applications pursuant to that certain Grant of Security Interest (Trademarks) dated November 20, 2012 (the "Original Security Grant");

C. In addition to the trademarks and trademark applications listed in the Original Security Grant, Debtor owns the registered trademarks, service marks (and applications and registrations therefor), of the United States, more particularly described on Schedules 1-A and 1-B annexed hereto as part hereof (collectively, the "Trademarks");

D. Pursuant to the Agreement, Debtor has granted to Secured Party a security interest in all right, title and interest of Debtor in and to the Trademarks, together with associated goodwill, and all proceeds thereof, including any and all causes of action which may exist by reason of infringement thereof for the full term of the Trademarks (the "Collateral"), to secure the prompt payment, performance and observance of the Obligations (as defined in the Agreement);

NOW, THEREFORE, for good and valuable consideration, receipt of which is hereby acknowledged, Debtor does hereby further grant to Secured Party a security interest in the Collateral to secure the prompt payment, performance and observance of the Obligations.

Debtor does hereby further acknowledge and affirm that the rights and remedies of Secured Party with respect to the security interest in the Collateral granted hereby are more fully set forth in the Agreement, the terms and provisions of which are hereby incorporated herein by reference as if fully set forth herein, and that nothing contained herein shall affect the security interest granted to Secured Party pursuant to the Original Security Grant.

IN WITNESS WHEREOF, Debtor has caused this instrument to be executed as of the day and year first written above.
