TRADEMARKS ASSIGNMENT

THIS TRADEMARKS ASSIGNMENT ("Assignment") is executed and effective as of this date, July 1, 2011, by Meryl J. Squires, a citizen of the United States residing at 2 Goose Lake Drive, Barrington Hills, Illinois 60010 (herein the "Assignor"), and in favor of Meritus Corporation, a corporation under the laws of the Commonwealth of Dominica, located at 8 Copthall, Roseau Valley, 00152, Commonwealth of Dominica (herein the "Assignee").

WHEREAS, Assignor is the owner of all right, title and interest in and to certain trademarks and corresponding registrations and/or applications for registration set forth on Exhibit "A" hereto (collectively, the "Trademarks"), together with the goodwill of the business connected with and symbolized by the Trademarks; and

WHEREAS, Assignee desires to acquire all right, title and interest in and to the Trademarks.

NOW, THEREFORE, for good and valuable consideration, the receipt and adequacy of which are acknowledged, the parties hereby agree as set forth below.

Assignor hereby sells, assigns, transfers and conveys to Assignee the entire right, title, interest in and to the Trademarks in the United States and all jurisdictions outside the United States, together with the goodwill of the business connected with and symbolized by the Trademarks (including, without limitation, the right to renew any registrations included in the Trademarks, the right to apply for trademark registrations within or outside the United States based in whole or in part upon the Trademarks, and any priority right that may arise from the Trademarks), along with the rights and subject to the obligations of the existing license thereof to Merix Pharmaceutical Corp. dated June 25, 1999 with all payments actually received from Merix for the next four years to be paid directly to Assignor, the same to be held and enjoyed by Assignee as fully and entirely as said interest could have been held and enjoyed by Assignor had this sale, assignment, transfer and conveyance not been made; provided, Assignor shall retain the right to negotiate and grant a license of the Trademarks to third parties so long as Assignor assigns any such license to Assignee.

Assignor authorizes the Commissioner of Trademarks of the United States and other empowered officials of the United States Patent and Trademark Office and in any applicable jurisdictions outside the United States to record the transfer of the registrations and/or applications for registration set forth on Exhibit "A" to Assignee as assignee of Assignor's entire right, title and interest therein. Assignor agrees to further execute any documents reasonably necessary to effect this assignment or to confirm Assignee's ownership of the Trademarks, along with the rights and subject to the obligations of the existing license thereof to Merix Pharmaceutical Corp. dated June 25, 1999.
