TRADEMARK ASSIGNMENT

This TRADEMARK ASSIGNMENT (this "Assignment") is made as of July 20, 2015, between A. B. Fenn & Son, Inc. (DBA Commercial Door Systems), a Pennsylvania corporation ("Assignor"), in favor of Chase Industries, Inc., an Ohio corporation ("Assignee").

Pursuant to an agreement of even date herewith, Assignor has assigned to Assignee, among other assets, the trademarks and trademark registrations set forth on Exhibit A (the "Trademarks"), and has agreed to execute and deliver this Assignment for recording with governmental authorities, including the United States Patent and Trademark Office.

NOW THEREFORE, the parties agree as follows:

1. For good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Assignor hereby irrevocably conveys, transfers and assigns to Assignee all of Assignor's right, title and interest in and to the Trademarks, the goodwill associated with the Trademarks, and all claims and causes of action with respect to any of the foregoing, whether accruing before, on and/or after the date hereof, including all rights to and claims for damages, restitution and injunctive and other legal and equitable relief for past, present and future infringement, dilution, misappropriation, violation, misuse, breach or default, with the right but no obligation to sue for such legal and equitable relief and to collect, or otherwise recover, any such damages, all of the foregoing to be held and enjoyed by Assignee as fully and as entirely as the same would have been held and enjoyed by Assignor had this assignment not been made.
2. Upon Assignee's reasonable request, Assignor shall take such steps and actions, and provide such cooperation and assistance to Assignee and its successors, assigns and legal representatives, as may be reasonably necessary to effect, evidence or perfect the assignment of the Trademarks to Assignee, or any assignee or successor thereto.
3. This Assignment may be executed in counterparts, each of which shall be deemed an original, but all of which together shall be deemed to be one and the same agreement. A signed copy of this Assignment delivered by facsimile, e-mail or other means of electronic transmission shall be deemed to have the same legal effect as delivery of an original signed copy of this Assignment.

[Signature Page Follows]

IN WITNESS WHEREOF, Assignor has executed this instrument as of the date first written above.
