DECLARATION

I, Evelyn C. Pellicone, Chief Financial Officer of Crestview Apparel GP, LLC, the general partner of Crestview Apparel Holdings, L.P., a Delaware limited partnership ("Crestview"), hereby submit this Declaration in support of the submission of an attached corrected document and corrected cover sheet with the United States Patent and Trademark Office with respect to an incorrect previously recorded document as set forth herein. I have firsthand knowledge of the facts herein as follows.

On June 29, 2014, a document was executed by SLL, Inc. ("SLL"), the possessor of a security interest in 27 trademark properties, including trademark registrations and applications, owned by NYDJ Apparel, LLC ("NYDJ") that attempted to confirm the transfer of that security interest from SLL to Crestview but at the same time also erroneously assigned ownership of the 27 trademark properties to Crestview.

That document was then recorded with the USPTO on July 9, 2015 at Reel 005572 Frame 0981.

Therefore, the USPTO now shows on its records that Crestview is the owner by assignment of the 27 trademark properties when in fact that is incorrect. In fact, NYDJ remains the owner of the 27 trademark properties and Crestview is merely the current possessor of the security interest in those properties.

Accordingly, Crestview, the incorrect assignee of the 27 trademark properties, requests that the attached corrected document and corrected cover sheet be accepted for recordal and that the USPTO records be corrected to show that NYDJ is still the owner of the 27 trademark properties and that Crestview is the owner of the security interest in those 27 trademark properties.

The signatory being warned that willful false statements and the like are punishable by fine or imprisonment, or both, under 18 U.S.C. § 1001, and that such willful false statements and the like may jeopardize the validity of the application or submission or any registration resulting therefrom, declares that all statements made of his/her own knowledge are true and that all statements made on information and belief are believed to be true.
