WHEREAS, pursuant to the Pledge and Security Agreement, Grantors are required to execute and deliver to Collateral Agent, for the benefit of the Secured Parties, this Security Agreement.

NOW, THEREFORE, in consideration of the premises and mutual covenants herein contained and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Grantors hereby agree as follows:

1. **DEFINED TERMS.** All initially capitalized terms used but not otherwise defined herein have the meanings given to them in the Pledge and Security Agreement or, if not defined therein, in the Credit Agreement.

2. **GRANT OF SECURITY INTEREST IN TRADEMARK COLLATERAL.** Each Grantor hereby unconditionally grants, assigns, and pledges to Collateral Agent, for the benefit of the Secured Parties, to secure the Secured Obligations, a continuing security interest (referred to in this Security Agreement as the "Security Interest") in all of such Grantor's right, title and interest in and to the following, whether now owned or hereafter acquired or arising (collectively, the "IP Collateral"); provided, however, the IP Collateral shall not include, and no security interest is granted in, any Excluded Property:

(a) all of its trademarks, service marks, brand names, certification marks, collective marks, d/b/a's, domain names, logos, symbols, trade dress, assumed names, fictitious names, trade names, and other indicia of origin, all applications and registrations for the foregoing, and all goodwill associated

(b) all patents, registrations, invention disclosures and applications therefor, including divisions, continuations, continuations-in-part, reissues, reexaminations, renewal applications, and including renewals, extensions and reissues of the foregoing (collectively, “Patents”) and Patent intellectual property licenses to which it is a party including those referred to on Schedule II;

3. **SECURITY FOR SECURED OBLIGATIONS.** This Security Agreement and the Security Interest created hereby secures the payment and performance of the Secured Obligations, whether now existing or arising hereafter. Without limiting the generality of the foregoing, this Security Agreement secures the payment of all amounts which constitute part of the Secured Obligations and would be owed by Grantors, or any of them, to Collateral Agent, the Secured Parties, or any of them, whether or not they are unenforceable or not allowable due to the existence of an insolvency proceeding involving any Grantor.

4. **SECURITY AGREEMENT.** The Security Interest granted pursuant to this Security Agreement is granted in conjunction with the security interests granted to Collateral Agent, for the benefit of the Secured Parties, pursuant to the Pledge and Security Agreement. Each Grantor hereby acknowledges and affirms that the rights and remedies of Collateral Agent with respect to the Security Interest in the IP Collateral made and granted hereby are more fully set forth in the Pledge and Security Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein.
