INTELLECTUAL PROPERTY SECURITY AGREEMENT

This INTELLECTUAL PROPERTY SECURITY AGREEMENT is entered into as of July 6, 2015 by and between FUGOO, LLC and FUGOO CORPORATION (each referred to herein as a "Grantor", and collectively, as the "Grantors") and AGILITY CAPITAL II, LLC, a California limited liability company ("Lender").

RECITALS

Lender has agreed to make certain advances of money and to extend certain financial accommodations to Grantors in the amounts and manner set forth in that certain Loan Agreement by and between Lender and Grantors (as amended from time to time, the "Loan Agreement") dated on or about the date hereof. Capitalized terms used herein have the meaning assigned in the Loan Agreement. Lender is willing to make the financial accommodations to Grantors, but only upon the condition, among others, that each Grantor shall grant to Lender a security interest in all of Grantors' right title, and interest in, to and under all of the Collateral whether presently existing or hereafter acquired

NOW, THEREFORE, Grantors agree as follows:

AGREEMENT

To secure performance of Grantors' obligations under the Loan Agreement, Grantors grant to Lender a security interest in all of Grantors' right, title and interest in Grantors' intellectual property (including without limitation those Copyrights, Patents and Trademarks listed on Exhibits A, B and C hereto), including without limitation all proceeds thereof (such as, by way of example but not by way of limitation, license royalties and proceeds of infringement suits). This security interest is granted in conjunction with the security interest granted to Lender under the Loan Agreement. Each right, power and remedy of Lender provided for herein shall not preclude the simultaneous or later exercise by Lender of any or all other rights, powers or remedies.

IN WITNESS WHEREOF, the parties have caused this Intellectual Property Security Agreement to be duly executed as of the first date written above.

¹ This is an International/PCT application, which will ultimately result in separate "National Stage" filings in selected foreign jurisdictions. A PCT application itself does not result in an enforceable patent. However, the individual foreign patent offices review the Written Opinion, and a favorable Search Report/Written Opinion often results in success in obtaining allowances in the individual foreign jurisdictions.
