WHEREAS, in connection with the Credit Agreement, the Grantors and certain other affiliates of the Grantors have executed and delivered the Security Pledge Agreement, dated as of August 4, 2015, in favor of the Collateral Agent (as may be amended, restated, amended and restated, supplemented or otherwise modified from time to time, the “**Security Pledge Agreement**”);

WHEREAS, pursuant to the Security Pledge Agreement, each Grantor pledged and granted to the Collateral Agent, for the benefit of the Secured Parties, a continuing security interest in all of its Intellectual Property constituting Collateral, including the Trademarks set forth on Schedule A hereto; and

WHEREAS, pursuant to the terms of the Security Pledge Agreement and in furtherance thereof, each Grantor has duly authorized the execution, delivery and performance of this Agreement.

NOW THEREFORE, for good and valuable consideration, the receipt of which is hereby acknowledged, and in order to induce the Lenders to make Loans and other financial accommodations to the Borrowers pursuant to the Credit Agreement, each Grantor agrees with the Collateral Agent, for the benefit of the Secured Parties, as follows:

I. SECTION 1: Definitions. Unless otherwise defined herein, terms defined in the Credit Agreement or the Security Pledge Agreement and used herein shall have the meanings given to them in the Credit Agreement or the Security Pledge Agreement, as applicable.

II. SECTION 2. Grant of Security Interest. Each Grantor hereby pledges and grants a continuing security interest in, and a right of setoff against, Grantor's right, title and interest in, to and under all of the Trademarks owned by such Grantor and constituting Collateral, including, without limitation, those listed on Schedule A hereto (collectively, the "**Trademark Collateral**"), to the Collateral Agent, for the benefit of the Secured Parties, to secure payment, performance and observance of the Secured Obligations. For the avoidance of doubt, pursuant to the Security Pledge Agreement, it is acknowledged and agreed that any application for a trademark registration that would otherwise be deemed invalidated, cancelled or abandoned due to the grant of a security interest thereon shall not be deemed Collateral or Trademark Collateral unless and until such time as the grant of such security interest will not affect the validity of such application for trademark registration.

III. SECTION 3. Purpose. This Agreement has been executed and delivered by each Grantor for the purpose of recording the grant of security interest herein with the United States Patent and Trademark Office. The security interest granted hereby has been granted to the Collateral Agent, for the benefit of the Secured Parties, in connection with the Security Pledge Agreement and is expressly subject to the terms and conditions thereof. The Security Pledge Agreement (and all rights and remedies of the Collateral Agent and the Secured Parties thereunder) shall remain in full force and effect in accordance with its terms.

IV. SECTION 4. Acknowledgment. Each Grantor does hereby further acknowledge and affirm that the rights and remedies of the Collateral Agent and the Secured Parties with respect to the security interest in the Trademark Collateral granted hereby are more fully set forth in the Credit Agreement and the Security Pledge Agreement, the terms and provisions of which (including the remedies provided for therein) are incorporated by reference herein as if fully set forth herein. In the event of any conflict between the terms of this Agreement and the terms of the Security Pledge Agreement, the terms of the Security Pledge Agreement shall govern.

V. SECTION 5. Counterparts. This Agreement may be executed in counterparts, each of which will be deemed an original, but all of which together constitute one and the same original.
