INTELLECTUAL PROPERTY ASSIGNMENT

This INTELLECTUAL PROPERTY ASSIGNMENT AGREEMENT (the "Assignment") is between Raymond Chabot Inc. solely in its capacity as receiver and manager of 7550570 Canada, Inc., (the "ASSIGNOR"), and ARTISSIMO DESIGNS LLC, a limited liability company organized and existing under the laws of the State of Delaware, United States of America (the "ASSIGNEE").

RECITALS

WHEREAS:

A. Assignor has been appointed as receiver and manager of the assets of 7550570 Canada, Inc. ("755"), by way of an Order of the Quebec Superior Court (Commercial Division) (In bankruptcy and insolvency matters) dated the 23rd day of June, 2015 (the "Order");

B. Assignor wishes to sell, and Assignee wishes to purchase, in accordance with the terms and conditions of that certain Asset Purchase Agreement (the "APA") dated as of June 25, 2015, which provisions have been approved by the Order, those certain Purchased Assets (as defined in the APA), including without limitation all of 755's right, title and interest in and to the US Patents and Patent applications set forth in Schedule A and all of 755's right, title and interest in and to the US trademark applications and registrations set forth in Schedule B (collectively, the "Intellectual Property Rights");

NOW THEREFORE, for valuable consideration the receipt and sufficiency of which is hereby acknowledged by Assignor, the parties do hereto agree as follows:

STATEMENT OF AGREEMENT

1. Assignor hereby, as set forth in the Order and APA, assigns, transfers, grants, sells and conveys to Assignee all of 755's right, title, and interests in and to the Intellectual Property Rights, including all copyrights, copyrightable works, utility patents, design patents patent applications, patentable inventions, trademarks (including goodwill appurtenant thereto), trade secrets, and other registrable rights in the Intellectual Property Rights in or related to the Technology, for the full term for which each individually registrable Intellectual Property Right may be granted. Assignor further assigns, transfers, grants, sells, and conveys to Assignee, on the same basis: (a) 755's right to claim the priority to or benefit of any patents and trademarks (and the applications therefor) in all countries in accordance with any treaty, convention or law, as fully and entirely as the same would have been held and enjoyed by 755 if this assignment, transfer, grant, sale and conveyance had not been made; and (b) the sole right to enforce said patents and trademarks, with the right to sue for and recover for any and all infringements thereof, including, but not limited to, past infringements (with respect to which Assignor hereby waives any right to receive any portion thereof).

2. Assignor represents and warrants that this Assignment is effective to convey all of 755's rights, title and interest to Assignee under all applicable law. To the extent this Assignment is not effective with respect to any asset in the Intellectual Property Rights, Assignor shall promptly take all such reasonable actions (including without limitation executing any other assignments) necessary to effect the assignment of the Intellectual Property Rights.

3. Assignor further covenants and agrees to perform all such acts and execute all such documents (and to cause its employees to perform such acts and execute such documents) requested by Assignee or its successors as are reasonably necessary or desirable to effect, confirm, enable, or evidence the assignment of the Intellectual Property Rights to Assignee. All such actions shall be performed at the expense of, but no additional charge to, Assignee. Assignor agrees that this Assignment shall be binding upon and inure to the benefits of the parties respective successors, heirs and assigns.

Signed and delivered on the 30th day of June, 2015.
