TRADEMARK SECURITY AGREEMENT

July 27, 2015

WHEREAS, WORLD CLASS TECHNOLOGY CORPORATION, an Oregon corporation ("Grantor"), owns the Trademark Collateral (defined below); and

WHEREAS, Grantor, WCT Holdings, LLC, Ortho Country LLC, NewStar Business Credit, LLC, as administrative agent ("Secured Party") and the lenders party thereto have entered into the certain Loan and Security Agreement dated as of July 27, 2015 (as may be amended and in effect from time to time, the "Loan Agreement"), providing for extensions of credit to be made to Grantor; and

WHEREAS, pursuant to the terms of the Loan Agreement, Grantor has granted to Secured Party a security interest, lien and collateral assignment in and to all assets of Grantor, including all right, title and interest of Grantor in, to and under all now owned and hereafter acquired Proprietary Rights (as defined in the Loan Agreement), which includes all trademarks, trademark registrations, trademark applications and trademark licenses, together with the goodwill of the business symbolized by Grantor's trademarks, and all proceeds thereof, to secure the payment of all Obligations (as defined in the Loan Agreement);

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, and to further evidence the security interest, lien and collateral assignment granted to Administrative Agent by Grantor under the Loan Agreement, Grantor does hereby grant to Secured Party a continuing security interest, lien and collateral assignment in all of Grantor's right, title and interest in, to and under the following (all of the following items or types of property being herein collectively referred to as the "Trademark Collateral"), whether presently existing or hereafter created or acquired:

(1) each trademark, trademark registration and trademark application (other than any intent-to-use trademark applications to the extent such intent-to-use trademark application constitutes Excluded Property (as defined in the Loan Agreement)), including, without limitation, the trademark registrations (together with any reissues, continuations or extensions thereof) and trademark applications referred to in Schedule 1 annexed hereto, and all of the goodwill of the business connected with the use of, and symbolized by, each trademark, trademark registration and trademark application;

(2) each trademark license and all of the goodwill of the business connected with the use of, and symbolized by, each trademark license, including, without limitation, each trademark license referred to in Schedule 1 annexed hereto; and

(3) all products and proceeds of the foregoing, including, without limitation, any claim by Grantor against third parties for past, present or future (a) infringement or dilution of any trademark or trademark registration including, without limitation, the trademark registrations referred to in Schedule 1 annexed hereto, the trademark registrations issued with respect to the trademark applications referred in Schedule 1 and the trademarks licensed under any trademark license, or (b) injury to the goodwill associated with any trademark, trademark registration or trademark licensed under any trademark license.

This security interest is granted in conjunction with the security interests granted to Secured Party pursuant to the Loan Agreement. Grantor hereby acknowledges and affirms that the rights and remedies

of Secured Party with respect to the security interest in the Trademark Collateral made and granted hereby are more fully set forth in the Loan Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein.
