WHEREAS, the Assignor (a) owns the trademarks, service marks, brand names, product names, slogans, logos, designs, trade dress, and Internet domain names exclusively related to the brand product Nor-QD and an authorized generic thereof, Nora-BE (together, the "Products"), including those set forth on Schedule A or Schedule B, whether registered or unregistered, and all common law rights therein, together with (i) all goodwill of the existing and ongoing business connected with the use thereof and symbolized thereby, and (ii) all registrations and applications for registration in connection therewith and all extensions and renewals thereof, including the registrations and applications set forth on Schedule A or Schedule B, (collectively, the "Trademarks"), (b) may own certain other intellectual property or proprietary rights exclusively related to the Products, including (i) unregistered copyrights and works of authorship (whether or not published), including website content, exclusively related to the Products, and (ii) trade secrets, know-how, and confidential technical and business information exclusively related to the Products (collectively, but, for the avoidance of doubt, excluding any patents, patents applications or Trademarks or other registered or applied-for intellectual property, the "Other Intellectual Property") and (c) may possess rights to the New Drug Applications and Abbreviated New Drug Applications set forth on Schedule C (collectively, the "Regulatory Filings");

WHEREAS, the Trademarks and the Other Intellectual Property, together with (i) all copies and tangible embodiments thereof (in whatever form or medium), (ii) any past, present or future claims or causes of action arising out of or related to any infringement, misappropriation, dilution or other violation of any of the Trademarks or any of the Other Intellectual Property, and the right to sue for damages, injunctive relief or any other remedy or otherwise recover therefor, (iii) the right to receive any and all income, royalties and payments now or hereafter due and/or payable with respect to the Trademarks or any of the Other Intellectual Property, together with the Regulatory Filings, are collectively referred to herein as the "Assigned Assets";

WHEREAS the Assignee desires to accept and assume from the Assignor the Assigned Assets in exchange for the Assignee Consideration.

NOW, THEREFORE, in consideration of the promises and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Parties, intending to be legally bound, do hereby agree as follows:

ARTICLE I CONTRIBUTION

Section 1.01 Contribution. Effective as of 11:59 PM New York time on July 1, 2015, the Assignor hereby transfers, conveys, assigns and delivers to the Assignee all of the Assignor's right, title and interest in, to and under the Assigned Assets in exchange for the Assignee Consideration. The Assignee does hereby accept and assume all of the Assignor's right, title and interest in, to and under the Assigned Assets and issue Assignor the Assignee Consideration.

Section 1.02 Power of Attorney. The Assignor does hereby constitute and appoint the Assignee, and its successors and assigns, as their true and lawful attorney, with full power of substitution in its name and stead, by, on behalf of and for the benefit of the Assignee, and its successors and assigns, to demand and receive payment in respect of any or all of the Assigned Assets transferred hereunder that represents the right of the Assignor to demand and receive payment from third parties and to give receipts and releases for and in respect of the same, and any part thereof, and from time to time to institute and prosecute, at the expense and for the benefit of the Assignee, and its successors and assigns, in the name of the Assignee or such successors or assigns, any and all proceedings at law, in equity or otherwise, which the Assignee, and its successors or assigns, may deem proper for the collection or reduction to possession of any of the Assigned Assets transferred hereunder.

Section 1.03 Non-Assignment. Nothing in this Agreement shall be construed as an attempt to assign to the Assignee any legal interest in any of the Assigned Assets which, as a matter of law or by the terms of any legally binding contract to which the Assignor or any of its respective affiliates are subject, is not assignable without the consent of any other party or the expiration of any waiting or notice period, unless such consent shall have been given, such waiting or notice period shall have expired or been waived by the applicable other party thereto, or the Assignee agrees to forego receipt of such consent or the expiration of such waiting or notice period. In the event that the legal interest in any of the Assigned Assets or any claim, right or benefit arising thereunder or resulting therefrom cannot be sold, assigned, transferred or conveyed hereunder as of the date hereof because any waiting or notice period has not expired or any consents or approvals required for such transfer have not been obtained or waived, then at the Assignee's election (exercisable in its sole discretion) the legal interest in such Assigned Assets shall not be transferred, conveyed, assigned or delivered until such waiting or notice period shall have expired or until approval, consent or waiver thereof is obtained. Each of the Parties shall and shall cause its affiliates to, without additional consideration, use commercially reasonable efforts to cooperate in obtaining such consents or approvals or the termination of such waiting or notice periods as may be necessary to complete any such transfers as soon as practicable following the date hereof and to fully consummate such transfers thereupon. The Assignor shall, and shall cause its affiliates to, cooperate with the Assignee in good faith without additional consideration in any arrangement reasonably acceptable to the Assignee intended to provide the Assignee with the benefit of any such Assigned Assets.

Section 1.04 Further Assurances. Each of the Parties agrees to, without additional consideration, cooperate with one another by furnishing any additional information, executing and delivering any additional documents and instruments, including contract assignments, and doing any and all such other things as may be reasonably requested by the other Party to consummate or otherwise implement the transactions contemplated by this Agreement and to confirm, record or otherwise evidence the same. Without limiting the generality of the foregoing, the Assignor agrees to promptly execute and deliver to Assignee an assignment of trademarks substantially in the form attached hereto as Annex 1 (the "Trademark Assignment"), and further agrees to execute and deliver further assignments for the purpose of evidencing,
