In accordance therewith, Assignor desires to transfer and assign to Assignee, and Assignee desires to accept the transfer and assignment of, all of Assignor's worldwide right, title and interest in, to and under Assignor's registered and unregistered domestic and foreign servicemarks, trademarks, trademark applications and trade names, including without limitation the servicemarks, trademarks, servicemark and trademark applications and trade names that Assignor has rights to and/or associated with Assignor's business including but not limited to those listed on Schedule A annexed hereto and incorporated herein by reference (all of the foregoing being referred to herein as the "Marks").

NOW, THEREFORE, Assignor, for and in exchange for the payment of the purchase price set forth in the Agreement, the receipt of which is hereby acknowledged, does hereby transfer and assign to Assignee, and Assignee hereby accepts the transfer and assignment of, all of Assignor's worldwide right, title and interest in, to and under the Marks, together with the goodwill of the business associated therewith and which is symbolized thereby, all rights to sue for infringement of any Mark, whether arising prior to or subsequent to the date of this Assignment of Servicemarks and Trademarks, and any and all renewals and extensions thereof that may hereafter be secured under the laws now or hereafter in effect in the United States, Canada and in any other jurisdiction, the same to be held and enjoyed by the said Assignee, its successors and assigns from and after the date hereof as fully and entirely as the same would have been held and enjoyed by the said Assignor had this Assignment of Servicemarks and Trademarks not been made.
