**NOTICE OF GRANT OF SECURITY INTEREST IN TRADEMARKS**

This Notice of Grant of Security Interest in Trademarks (this “**Agreement**”) dated September 18, 2015, is made by the Person listed on the signature pages hereof (the “**Grantor**”) in favor of Toronto-Dominion Bank, as collateral agent (the “**Agent**”) for the Secured Parties (as defined in the Credit Agreement referred to below). Terms defined in the Credit Agreement (as defined below) and not otherwise defined herein are used herein as defined in the Credit Agreement.

WHEREAS, the Grantor has entered into that certain Amended and Restated Senior Secured Credit Agreement dated as of September 18, 2015 (as amended, amended and restated, supplemented or otherwise modified from time to time, the “**Credit Agreement**”), with Toronto-Dominion Bank, as Agent, and the Lenders party thereto;

WHEREAS, as a condition precedent to the making of Loans by the Lenders and the issuance of Letters of Credit under the Credit Agreement, each Grantor has executed and delivered that certain Amended and Restated Pledge and Security Agreement, dated September 18, 2015, made by the Grantor to the Agent (as amended, amended and restated, supplemented or otherwise modified from time to time, the “**Security Agreement**”); and

WHEREAS, under the terms of the Security Agreement, the Grantor has granted to the Agent, for the benefit of the Secured Parties, a security interest in, among other property, certain intellectual property of the Grantor, and has agreed as a condition thereof to execute this Agreement for recording with the U.S. Patent and Trademark Office;

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Grantor agrees as follows:

SECTION 1. Grant of Security Interest. The Grantor, as collateral security for the prompt and complete payment and performance when due (whether at stated maturity, by acceleration or otherwise) of the Secured Obligations of such Grantor, grants to the Agent for the benefit of the Secured Parties a first priority Lien on and security interest in all of its right, title and interest in, to and under the following (collectively, the “**Intellectual Property Collateral**”):

(i) all of Grantor’s United States trademark and service mark, including all registrations and applications thereof, including as set forth in Schedule A hereto (provided that no security interest shall be granted in United States intent-to-use trademark applications to the extent that, and solely during the period in which, the grant of a security interest therein would impair the validity or enforceability of such intent-to-use trademark applications under applicable federal law), together with the goodwill symbolized thereby (the “**Trademarks**”);

(ii) all reissues, divisions, continuations, continuations-in-part, extensions, renewals and reexaminations of any of the foregoing, all rights in the foregoing provided by international treaties or conventions, all rights corresponding thereto throughout the world and all other rights of any kind whatsoever of such Grantor accruing thereunder or pertaining thereto;

(iii) any and all claims for damages and injunctive relief for past, present and future infringement, dilution, misappropriation, violation, misuse or breach with respect to any of the foregoing, with the right, but not the obligation, to sue for and collect, or otherwise recover, such damages; and

(iv) all proceeds of, collateral for, income, royalties and other payments now or hereafter due and payable with respect to, and supporting obligations relating to, any and all of the foregoing.

SECTION 2. Security for Obligations. The grant of a security interest in the Intellectual Property Collateral by the Grantor under this Agreement secures the payment of all Obligations of such Grantor now or hereafter existing under or in respect of the Loan Documents, whether direct or indirect, absolute or contingent, and whether for principal, reimbursement obligations, interest, premiums, penalties, fees, indemnifications, contract causes of action, costs, expenses or otherwise.

SECTION 3. Recordation. The Grantor authorizes and requests that the Commissioner for Trademarks record this Agreement.

SECTION 4. Execution in Counterparts. This Agreement may be executed in any number of counterparts, each of which when so executed shall be deemed to be an original and all of which taken together shall constitute one and the same agreement.

SECTION 5. Grants, Rights and Remedies. This Agreement has been entered into in conjunction with the provisions of the Security Agreement. Each Grantor does hereby acknowledge and confirm that the grant of the security interest hereunder to, and the rights and remedies of, the Agent with respect to the Intellectual Property Collateral are more fully set forth in the Security Agreement, the terms and provisions of which are incorporated herein by reference as if fully set forth herein.

SECTION 6. Governing Law. This Agreement shall be governed by, and construed in accordance with, the laws of the State of New York.

*[Signatures pages to follow]*

---

IN WITNESS WHEREOF, the Grantor has caused this Agreement to be duly executed and delivered by its officer thereunto duly authorized as of the date first above written.
