TRADEMARK SECURITY AGREEMENT

Trademark Security Agreement, dated as of dated as of September 22, 2015 by U.S. NURSING CORPORATION, a Colorado corporation, and FASTAFF, LLC, a Colorado limited liability company (each individually, a “**Grantor**”, and, collectively, the “**Grantors**”), in favor of WELLS FARGO BANK, NATIONAL ASSOCIATION, in its capacity as Agent pursuant to the Credit Agreement (as defined in the Security Agreement, defined below) (in such capacity, the “**Agent**”).

WITNESSETH:

WHEREAS, the Grantors are party to a Security Agreement dated as of September 22, 2015 (as amended, restated, amended and restated, supplemented or otherwise modified from time to time, the “**Security Agreement**”) in favor of the Agent pursuant to which the Grantors are required to execute and deliver this Trademark Security Agreement;

NOW, THEREFORE, in consideration of the premises and to induce the Agent, for the benefit of the Secured Parties, to enter into the Credit Agreement, the Grantors hereby agree with the Agent as follows:

SECTION 1. Defined Terms. Unless otherwise defined herein, terms defined in the Security Agreement and used herein have the meaning given to them in the Security Agreement and the Credit Agreement.

SECTION 2. Grant of Security Interest in Trademark Collateral. Each Grantor hereby pledges and grants to the Agent for the benefit of the Secured Parties a lien on and security interest in and to all of its right, title and interest in, to and under all the following Collateral (excluding any Excluded Assets) of such Grantor: Trademarks of such Grantor listed on Schedule I attached hereto.

SECTION 3. The Security Agreement. The security interest granted pursuant to this Trademark Security Agreement is granted in conjunction with the security interest granted to the Agent pursuant to the Security Agreement and Grantors hereby acknowledge and affirm that the rights and remedies of the Agent with respect to the security interest in the Trademarks made and granted hereby are more fully set forth in the Security Agreement, the terms of which are incorporated herein by reference. In the event that any provision of this Trademark Security Agreement is deemed to conflict with the Security Agreement, the provisions of the Security Agreement shall control.

SECTION 4. Termination. Upon the termination of the Security Agreement in accordance with Section 6.11 thereof, the Agent shall, at the expense of such Grantor, execute, acknowledge, and deliver to the Grantors an instrument in writing in recordable form releasing the lien on and security interest in the Trademarks under this Trademark Security Agreement.

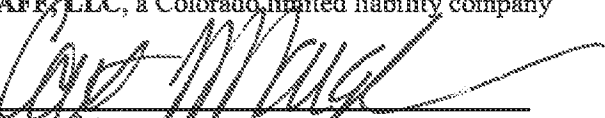

SECTION 5. Counterparts. This Trademark Security Agreement may be executed in any number of counterparts, all of which shall constitute one and the same instrument, and any party hereto may execute this Trademark Security Agreement by signing and delivering one or more counterparts. Delivery by facsimile or other electronic communication of an executed counterpart of a signature page to this Trademark Security Agreement shall be effective as delivery of an original executed counterpart of this Trademark Security Agreement.
