TRADEMARK ASSIGNMENT

THIS TRADEMARK ASSIGNMENT (this "*Assignment*") is made as of September 21, 2015 (the "*Effective Date*"), by and between **Experian Information Solutions, Inc.**, an Ohio corporation, having a place of business at 475 Anton Boulevard, Costa Mesa, CA 92626 ("*Assignor*"), and **Baker Hill Acquisition, LLC**, a Delaware limited liability company, having a place of business at 12655 SW Center Street, 100 Cascade Plaza West, Beaverton, OR 97005 ("*Assignee*").

WHEREAS, Assignor and Assignee are parties to that certain Asset Sale Agreement, dated as of September 1, 2015 (the "*Purchase Agreement*"), pursuant to which Assignor has agreed to sell and transfer and Assignee has agreed to purchase and acquire the "Transferred Assets," as defined in the Purchase Agreement;

WHEREAS, Assignor is the owner of the entire right, title, and interest in, to, and under those trademarks and trademark applications listed on Schedule A or that otherwise constitute "Transferred Assets" under the Purchase Agreement, and the goodwill associated with all of the foregoing (collectively, the "*Trademarks*"); and

WHEREAS, Assignee, at its request and direction, wishes to acquire and Assignor wishes to assign all of Assignor's right, title, and interest in and to the Trademarks.

NOW, THEREFORE, for good and valuable consideration (including the premises and covenants set forth in the Purchase Agreement), the receipt and sufficiency of which are hereby acknowledged, the parties hereto agree as follows:

Assignor hereby irrevocably sells, assigns, transfers, and sets over to Assignee all of Assignor's right, title, and interest in and to the Trademarks, together with the goodwill of the business in connection with which the Trademarks are used, and all registrations, renewals, and extensions of the foregoing, now or hereafter in effect, for Assignee's own use and enjoyment, and for the use and enjoyment of its successors, assigns, or other legal representatives, as fully and entirely as the same would have been held and enjoyed by Assignor if this assignment had not been made, together with all income, royalties, damages, or payments due or payable as of the Effective Date or thereafter related to any of the foregoing, including, without limitation, all claims for damages by reason of past, present, or future infringement or other unauthorized use of the Trademarks, with the right to sue for and collect the same for Assignee's own use and enjoyment, and for the use and enjoyment of its successors, assigns, or other legal representatives.

Assignor authorizes and requests the United States Commissioner of Patents and Trademarks and any other similar government authority to record Assignee as owner of the Trademarks and issue any and all registrations issued thereon to Assignee, as assignee of the entire right, title, and interest in, to, and under the same, for the sole use and enjoyment of Assignee and its successors, assigns, or other legal representatives.

Assignor shall provide Assignee, its successors, assigns, or other legal representatives, cooperation and assistance at Assignee's request and without further compensation (including the execution and delivery of any and all affidavits, declarations, oaths, samples, exhibits, specimens,

assignments, powers of attorney, or other documentation) as may be reasonably required in the implementation or perfection of this Assignment and in the preparation and prosecution of any application for registration or renewal of a registration covering any of the Trademarks.

This Assignment may be executed in one or more counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument. It shall not be necessary in making proof of this Agreement or any counterpart hereof to produce or account for any of the other counterparts.
