TRADEMARK ASSIGNMENT

This Trademark Assignment (this "Assignment") is entered into as of September 28, 2015, by and between Square 1 Bank, a North Carolina State Bank ("Transferor"), and Square 1 Bank, a North Carolina State Bank ("Transferee").

WHEREAS, pursuant to that certain Loan and Security Agreement between Transferor and US Seismic Systems, Inc. ("Debtor"), dated as of November 8, 2012 (the "Loan Agreement"), Transferor possesses a security interest in all of Debtor's assets, including without limitation all of Debtor's trademarks and trademark applications (collectively, the "Trademarks"), including without limitation the Trademarks set forth on the attached Schedule A; and

WHEREAS, Debtor has defaulted on its obligations under the Loan Agreement and, as a result, Transferor has the right to sell all of Debtor's right, title and interest in and to the Trademarks; and

WHEREAS, Transferee wishes to acquire, and Transferor wishes to transfer to Transferee, all of Debtor's right, title and interest in and to the Trademarks.

NOW THEREFOR, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Transferor does hereby sell, convey, transfer, assign and deliver to Transferee, free and clear of any lien, security interest, pledge, adverse interest or other encumbrance of any kind, Debtor's right, title and interest in and to the Trademarks, for the United States and for all foreign countries, and the inventions they claim (including subject matter capable of being reduced to a trademark claim in a reissue or reexamination proceeding relating to any of the Trademarks and subject matter that could have been included as a claim in any of the Trademarks), and any and all continuations, divisionals, continuations-in-part, provisionals, reissues, reexaminations, extensions, international applications or foreign equivalents thereof which may be obtained therefrom, and the priority rights thereto, for its own use and enjoyment, and for the use and enjoyment of its successors, assigns or other legal representatives, as fully and entirely as the same would have been held and enjoyed by Debtor if this Assignment had not been made; together with all income, royalties, damages or payments due or payable as of the date hereof or thereafter, including, without limitation, all claims for damages by reason of past, present or future infringement or other unauthorized use of the Trademarks, with the right to sue for, and collect the same for its own use and enjoyment, and for the use and enjoyment of its successors, assigns, or other legal representatives.

Transferor authorizes and requests the appropriate governmental authority to record Transferee as owner of the Trademarks, including any continuations, divisionals, continuations-in-part, provisionals, reissues, reexaminations, international applications or extensions thereof, and to issue any and all letters trademark thereon to Transferee, as assignee of the entire right, title and interest in, to and under the same, for the sole use and enjoyment of Transferee, its successors, assigns or other legal representatives.

Transferor agrees that from time to time, at the reasonable request of Transferee and at Transferee's expense, Transferor shall execute and deliver such other documents and take such other actions as Transferee may reasonably request to effectuate Transferor's assignment, transfer, and conveyance of the Trademarks and the transactions contemplated by this Assignment (including any

documentation to perfect and record the rights granted hereunder in the Trademarks in any jurisdiction through the world).

[Signatures on Following Page]

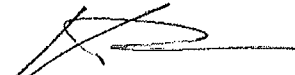

IN WITNESS WHEREOF, the parties hereto have caused this Assignment to be executed as of the date first written above by their respective authorized representatives.
