FOR GOOD AND VALUABLE CONSIDERATION, the receipt and sufficiency of which are hereby acknowledged, ADVANCED TISSUE, LLC, a Delaware limited liability company and formerly known as Comprehensive Decubitus Therapy, Inc., an Arkansas corporation (the "Grantor"), with its principal office at 7003 Valley Ranch Drive, Little Rock, Arkansas 72223, on this 3rd day of September, 2015, assigns and grants to OPUS BANK, as Agent for the Lenders party to the Loan and Security Agreement (as defined below) (together with its successors and assigns, the "Grantee"), with principal offices at 19900 MacArthur Blvd., 12th Floor, Irvine, California 92612, a security interest in: (i) all of such Grantor's right, title and interest in and to the trademarks, trademark registrations, trademark applications and trademark licenses (the "Trademarks") set forth on Schedule A attached hereto and all reissues, reexaminations, divisions, extensions or renewals thereof, together with (ii) all proceeds of the Trademarks, (iii) the goodwill of the businesses with which the Trademarks are associated, and (iv) all causes of action made by Grantor against third parties arising prior to or after the date hereof for infringement of any of the Trademarks. THIS GRANT OF SECURITY INTEREST (this "Grant"), is made to secure the satisfactory performance and payment of all the "Obligations" of each Grantor, as such term is defined in that certain Term Loan, Guaranty and Security Agreement dated as of September 3, 2015 (as the same may be amended, restated, supplemented or otherwise modified from time to time, the "Loan and Security Agreement"; capitalized terms used herein but not otherwise defined herein shall have the meanings given to such terms in the Loan and Security Agreement or Uniform Commercial Code as adopted in the State of California from time to time, as applicable) executed by the Grantor, the Grantee and the other loan parties thereto.

This Grant has been granted in conjunction with the security interest granted to the Grantee under the Loan and Security Agreement. The rights and remedies of the Grantee with respect to the security interest granted herein are without prejudice to, and are in addition to those set forth in the Loan and Security Agreement, all terms and provisions of which are incorporated herein by reference. In the event that any provisions of this Grant are deemed to conflict with the Loan and Security Agreement, the provisions of the Loan and Security Agreement shall govern.

This Grant may be executed in counterparts and by the different parties hereto on separate counterparts, but all of which shall together constitute one and the same instrument. Delivery of an executed counterpart of this Grant by facsimile or other electronic method of transmission shall be equally effective as delivery of an original executed counterpart.
