## GRANT OF TRADEMARK SECURITY INTEREST

This Grant of Trademark Security Interest (this "**Grant of Trademark Security Interest**") is made as of September 17, 2015, by Lumexis Corporation, a Delaware corporation ("**Grantor**"), in favor of PAR Investment Partners, L.P. ("**Secured Party**"). Capitalized terms used in this Grant of Trademark Security Interest and not otherwise defined herein have the meanings specified in the Loan and Security Agreement (as defined below).

**WHEREAS**, Grantor has entered into a Loan and Security Agreement, dated as of September 17, 2015 (as it may heretofore have been and as it may hereafter be further amended, restated, supplemented or otherwise modified from time to time, being the "**Loan and Security Agreement**") with Secured Party, pursuant to which Secured Party has made certain commitments, subject to the terms and conditions set forth in the Loan and Security Agreement, to extend certain loans to Grantor; and

**WHEREAS**, pursuant to the terms of the Loan and Security Agreement, Grantor has created in favor of Secured Party a security interest in, and Secured Party has become a secured creditor with respect to, the Trademark Collateral as hereinafter defined;

**NOW, THEREFORE**, for good and valuable consideration, the receipt and adequacy of which are hereby acknowledged, subject to the terms and conditions of the Loan and Security Agreement, to evidence further the security interest granted by Grantor to Secured Party pursuant to the Loan and Security Agreement, Grantor hereby grants to Secured Party a security interest in all of Grantor's right, title and interest in and to all of the following (including all rights acquired pursuant to a license or otherwise but only to the extent permitted by agreements governing such license or other use), in each case whether now or hereafter existing, whether tangible or intangible, whether now owned or hereafter acquired, wherever the same may be located and whether or not subject to the Uniform Commercial Code as it exists on the date of the Loan and Security Agreement, or as it may thereafter be amended in the State of Delaware (the "**Trademark Collateral**");

(i) all trademarks and trademark applications and rights and interests in trademarks and trademark applications under any domestic or foreign law that are presently, or in the future may be, owned or held by such Grantor and all trademarks and trademark applications and rights, title and interests in trademarks and trademark applications under any domestic or foreign law that are presently, or in the future may be, owned by such Grantor in whole or in part (including, without limitation, the trademarks and trademark applications set forth on Schedule A annexed hereto), all rights (but not obligations) corresponding thereto to sue for past, present and future infringements and all reissues, divisions, continuations, renewals, extensions and continuations-in-part thereof, including all proceeds thereof (such as, by way of example and not by limitation, license royalties and proceeds of infringement suits); and

(ii) all proceeds, products, rents and profits of or from any and all of the foregoing and, to the extent not otherwise included, all payments under insurance, if any (whether or not Secured Party is the loss payee thereof), or any indemnity, warranty or guaranty, payable by reason of loss or damage to or otherwise with respect to any of the foregoing. For purposes of

this Grant of Trademark Security Interest, the term "proceeds" includes whatever is receivable or received when any of the foregoing or proceeds are sold, licensed, exchanged, collected or otherwise disposed of, whether such disposition is voluntary or involuntary.

Grantor does hereby further acknowledge and affirm that the rights and remedies of Secured Party with respect to the security interest in the Trademark Collateral granted hereby are more fully set forth in the Loan and Security Agreement.

In the event that any provision of this Grant of Trademark Security Interest is deemed to conflict with the Loan and Security Agreement, the provisions of the Loan and Security Agreement shall govern.

THIS GRANT OF TRADEMARK SECURITY INTEREST AND THE RIGHTS AND OBLIGATIONS OF THE PARTIES HEREUNDER SHALL BE GOVERNED BY, AND SHALL BE CONSTRUED AND ENFORCED IN ACCORDANCE WITH, THE INTERNAL LAWS OF THE STATE OF DELAWARE, WITHOUT REGARD TO CONFLICTS OF LAWS PRINCIPLES.

This Grant of Trademark Security Interest may be executed in any number of counterparts, all of which shall constitute one and the same instrument, and any party hereto may execute this Grant of Trademark Security Interest by signing and delivering one or more counterparts.
