WHEREAS, Assignor owns all right, title, and interest in and to the trademarks, and in and to the registrations and applications therefor, set forth on *Schedule A* attached hereto (collectively, the “Trademarks”);

3. Assignee may record this Assignment with the United States Patent and Trademark Office and with comparable offices in other jurisdictions throughout the world. All costs associated with any such registrations or recordations shall be paid by Assignee.
4. This Assignment shall inure to the benefit of and be binding upon the Parties and their respective successors and permitted assigns.
5. This Assignment may be executed in counterparts, each of which shall be deemed an original, and together shall constitute one and the same agreement and shall be effective as of the Effective Date indicated above when one or more counterparts have been signed by each of

the Parties and delivered to the other Party, it being understood that both Parties need not sign the same counterpart. This Assignment may be executed by facsimile or electronically transmitted signatures and such signatures shall be deemed to bind each Party as if they were original signatures.
