SUPPLEMENTARY TRADEMARK ASSIGNMENT AGREEMENT

This SUPPLEMENTARY TRADEMARK ASSIGNMENT AGREEMENT (this "Assignment") is made and entered into as of January 2, 2015, by and between Treq Labs, Inc., a Delaware corporation (the "Assignor") and Sonus Networks, Inc., a Delaware corporation (the "Assignee").

WHEREAS, the Assignor and the Assignee are parties to that certain Asset Purchase Agreement (the "Purchase Agreement"), dated January 2, 2015, by and among the Assignor, the Assignee, The Karl F. May 1999 Revocable Trust and Karl F. May, in his capacity as the Seller Representative;

WHEREAS, pursuant to the Purchase Agreement, the Assignor agreed to sell, assign, transfer and deliver to the Assignee, and the Assignee agreed to purchase all of the Assignor's right, title and interest in, to and under, certain registered trademarks and service marks, and all registrations and applications for registration of the foregoing;

WHEREAS, pursuant to Section 4.7 of the Purchase Agreement, the Assignor agreed that after the Closing Date it would cease using, and would not permit any Affiliate to use, any Business Name or any name reasonably similar thereto, and that it would take such other and further action and to execute such other and further instruments as reasonably necessary to effectuate the transactions contemplated by the Purchase Agreement; and

WHEREAS the parties agree that the assignment of all of the Assignor's right, title and interest in, to and under, certain additional registered trademarks and service marks identified on the attached Exhibit A, and all registrations and applications for registration of the foregoing throughout the world (collectively, the "Assigned Trademarks") is necessary to effectuate the transactions contemplated by the Purchase Agreement.

NOW, THEREFORE, for good and valuable consideration, the receipt of which is hereby acknowledged, the Assignor and Assignee do hereby agree as follows:

1. Capitalized Terms. Capitalized terms used but not defined herein shall have the meanings set forth in the Purchase Agreement.
2. Assignment. The Assignor hereby sells, assigns, transfers, conveys and delivers to the Assignee, its successors and assigns, all of the Assignor's right, title and interest in and to the Assigned Trademarks and all goodwill associated therewith.
3. Terms of the Purchase Agreement. Each of the Assignor and Assignee by its execution of this Assignment hereby acknowledges and agrees that neither the representations and warranties, nor the rights and remedies of the Parties under the Purchase Agreement shall be deemed to be enlarged, diminished, modified or altered in any way by this Assignment. In the event of any conflict between the Purchase Agreement and this Assignment, the terms of the Purchase Agreement shall control.

4. Miscellaneous.

(a) Headings. The section headings used herein are inserted for convenience only and shall not affect in any way the meaning or interpretation of this Assignment.

(b) Governing Law. This Assignment shall be governed by and construed in accordance with the internal Laws of the State of Delaware without giving effect to any choice or conflict of law provision or rule (whether of the State of Delaware or any other jurisdiction) that would cause the application of laws of any jurisdictions other than those of the State of Delaware. Each of Assignee and Assignor irrevocably and unconditionally (i) accepts the jurisdiction and venue of the Court of Chancery of the State of Delaware, New Castle County, or, if that court does not have jurisdiction, a federal court sitting in Wilmington, Delaware in any action or proceeding arising out of or related to this Assignment, (ii) waives any objections which such party may now or hereafter have to the laying of venue of any of the aforesaid actions or proceedings brought in any such court and agrees not to plead or claim in any such court that such action or proceeding brought in any such court has been brought in an inconvenient forum, (iii) agrees that service of all process in any such proceeding in any such court may be made by registered or certified mail, return receipt requested, to such party at their respective addresses provided in accordance with Section 7.1 of the Purchase Agreement, and (iv) agrees that service as provided in clause (iii) above is sufficient to confer personal jurisdiction over such party in any such proceeding in any such court, and otherwise constitutes effective and binding service in every respect. Each of Assignor and Assignee agrees to accept service of any summons, complaint or other initial pleading made in the manner provided for the giving of notices in Section 7.1 of the Purchase Agreement, and agrees that service as provided this sentence is sufficient to confer personal jurisdiction over such party in any such proceeding in any such court and otherwise constitutes effective and binding service in every respect; provided, that nothing in this Section 4(b) shall limit the right of any party to serve such summons, complaint or other initial pleading in any other manner permitted by Law. TO THE EXTENT PERMITTED BY APPLICABLE LAW, EACH OF ASSIGNOR AND ASSIGNEE HEREBY IRREVOCABLY AND UNCONDITIONALLY WAIVES ALL RIGHTS TO TRIAL BY JURY IN ANY ACTION OR PROCEEDING CONTEMPLATED HEREBY.

(c) Counterparts. This Assignment may be executed in two or more counterparts (including by facsimile or by an electronic scan delivered by electronic mail), each of which shall be deemed an original but all of which together shall be considered one and the same agreement and shall become effective when counterparts have been signed by each party hereto and delivered to the other party, it being understood that each party need not sign the same counterpart. This Assignment may be executed and delivered by facsimile or by an electronic scan delivered by electronic mail.

(d) Amendments. This Assignment may be amended, modified or waived only in accordance with Section 7.11 of the Purchase Agreement.

[Signatures appear on the following page]

IN WITNESS WHEREOF, each party hereto has caused this Supplementary Trademark Assignment Agreement to be duly executed on its behalf, on the day and year first above written.
